- (3) Operations in connection with the special exception at the proposed location shall not have an adverse effect such as noise, fumes, vibration or other characteristics on neighboring properties above and beyond those inherently associated with the special exception at any other location within the zoning district; and

The applicant states that the Limited Agricultural Activity will not cause any odor, smoke, vibrations or unreasonable noise which can be detected or beyond the property line.

- (4) Parking areas will comply with the off street parking regulations of this chapter and will be screened from adjoining residential uses, and the entrance and exit drives shall be laid out so as to achieve maximum safety.

The applicant states that there is no employees associated with this proposal, no business or additional infrastructure required.

- (5) The road system providing access to the proposed use is adequate to serve the site for the intended use.

The applicant states that there is no employees associated with this proposal, no business or additional infrastructure required.

Specific Criteria – Section 1-19-8.325 Limited Agricultural Activity in the Residential Districts

- (A) The keeping of farm animals in conjunction with a single family residence, on lots less than 3 acres, shall be permitted in residential districts provided that no pens, stalls, or runs will be located closer than 50 feet of any lot line (see also Section 1-19-8.240).

The applicant states that the chicken coop will be more than 50 feet from all property lines.

- (B) All criteria in Section 1-19-3.210 and all other provisions of this chapter shall be met.

- (C) The limited agricultural activity shall not cause any odor, dust, smoke, vibration or unreasonable noise which can be detected at or beyond the property line.

The applicant states that the Limited Agricultural Activity will not cause any odor, smoke, vibrations or unreasonable noise which can be detected or beyond the property line.

Action Required:

Staff requests that the Board review the general and specific criteria for Special Exception under Section 1-19-3.210 (*Special Exceptions*) and Section 1-19-8.325 (*Ltd Ag Activity in the Residential Districts*) and render a decision on the applicant's requests.
