Chair – Dave Drezner  
Vice Chair – Lisa Clark  
Secretary – Mark Swift  
Treasurer – Evan Evans

- c) The three applicants who were present were

invited to make a brief statement of introduction and describe their backgrounds and interest in serving on the COD.

VI. Members that chose to do so gave closing remarks.

Jackie Kanekuni asked if she should encourage people to come to COD meetings and describe their complaints about discrimination by local nursing homes against people who are deaf. She is aware that some people believe that some nursing homes try to avoid taking people who are deaf, and do not provide enough qualified ASL interpreters. An enthusiastic general discussion took place of the resources and remedies that are available to properly deal with these complaints against nursing homes. There was also discussion about which government agency has jurisdiction to investigate complaints like these. A consensus was reached that other agencies and organizations would be the place to refer people who want to file such complaints.

VII. The meeting was adjourned.
