SP276908	Sams Club Fuel Station Expansion	SITE	TYPE2	The proposed project aims to enhance the Sam's Club fuel station at 5604 5604 BUCKEYSTOWN PIKE Buckeystown Pike, Frederick, MD 21704. This involves expanding the current fuel station by adding two new fuel pumps and extending the canopy on the western side of the station. To make room for the new pumps, an existing curbed island will be removed and replaced with a new one positioned to the west. Additionally, the pavement in the fuel station area will be restriped to improve traffic flow. These upgrades are designed to better serve Sam's Club customers.	28574207	08/30/24
