Meeting #3

December 5, 2024

Green Infrastructure Website:

FrederickCountyMD.gov/
GreenInfrastructurePlan

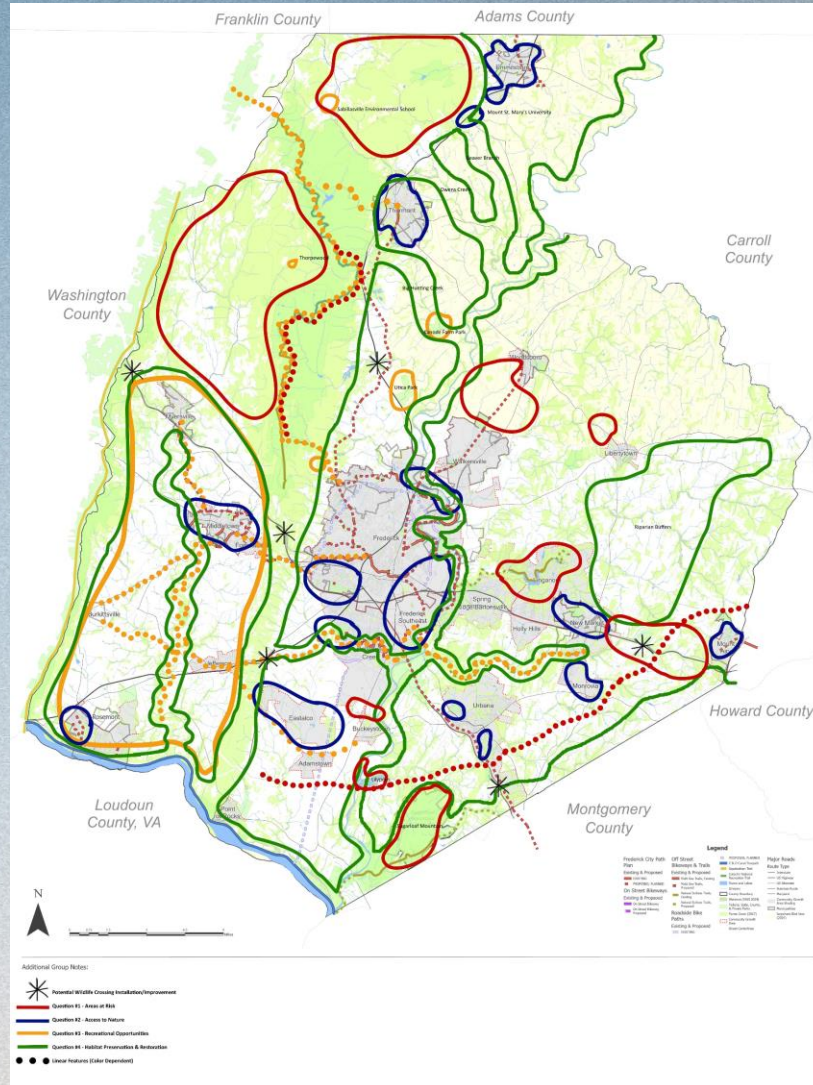

Division of
Planning and Permitting

Frederick County
Government Maryland

Advisory Group Meeting #2 Review

- Discussion of Meeting #2 Minutes
- Discussion of "What We Heard ..."

Advisory Group Meeting #2

“What We Heard – Mapping Question #1”

- Maryland Piedmont Reliability Project
- The spaces “in between”
- Northwest Frederick County
- Potential “over-use” of recreational resources
- Features of regional importance (Lilypons, Sugarloaf Mountain, Lake Linganore, etc.)

Division of
Planning and Permitting

Frederick County
Government Maryland

Advisory Group Meeting #2

“What We Heard – Mapping Question #2”

- Community parks and trails are vital existing resources and should be connected to communities
- Focus on underserved or overburdened communities

Division of
Planning and Permitting

Frederick County
Government Maryland

Advisory Group Meeting #2

“What We Heard – Mapping Question #3”

- Middletown Valley connections & destinations
- Potomac River, South Mountain, Catoctin Mountain, and more as recreational corridors
- Parks & recreation/environmental education centers are important destinations
- East to west (Bush/Ballenger/Burkittsville) corridor
- Consider corridor connections to EastAlco, Adamstown, Monocacy Battlefield, and Buckeystown

Division of
Planning and Permitting

Frederick County
Government Maryland

Advisory Group Meeting #2

“What We Heard – Mapping Question #4”

- Potomac River, Catoctin Creek, Monocacy River, South Mountain, Catoctin Mountain
- Bush Creek & Ballenger Creek corridor
- Big Hunting Creek & Owens Creek corridor
- Identify a general need for riparian buffers (including some focus areas)

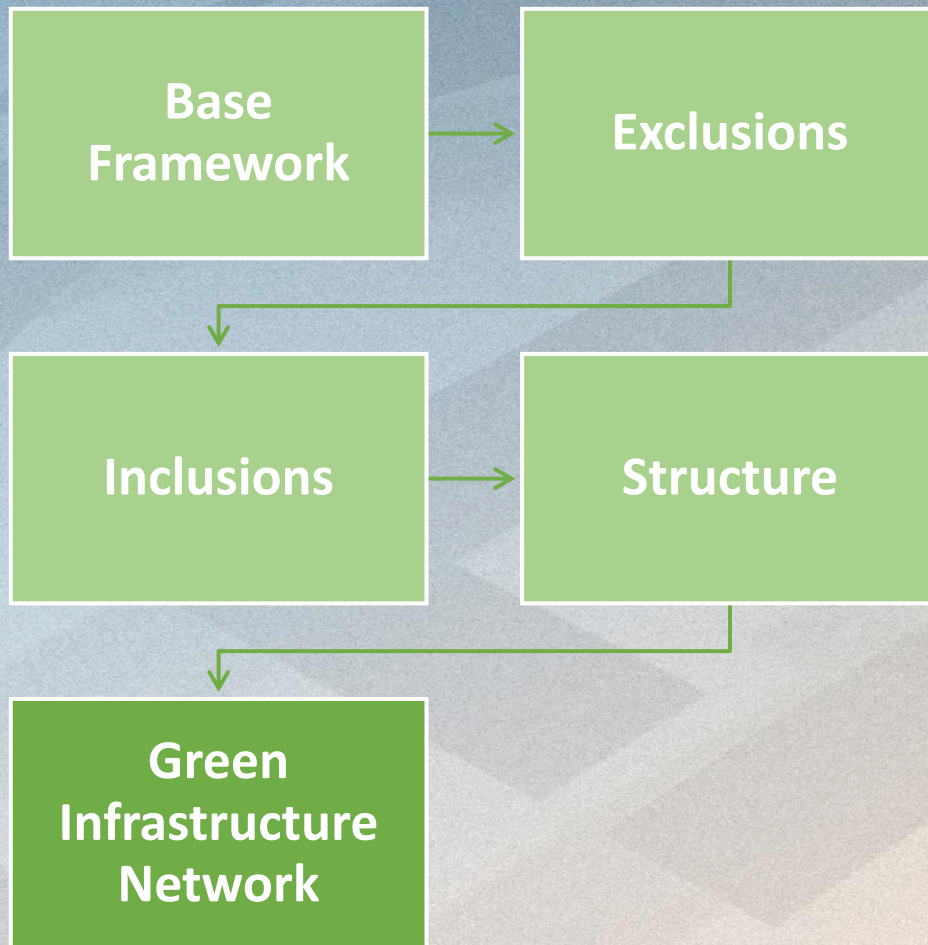

Division of
Planning and Permitting

Frederick County
Government Maryland

Advisory Group Meeting #3 Exercise

Green Infrastructure Network Protocol

- Start a dialogue about construction of the Green Infrastructure Network
- Objective, communicable framework for methodology/composition
- Determine a starting point or “base” framework
- Identify topics for exclusion or inclusion and how various aspects of the network relate to each other (to determine structure)

Division of
Planning and Permitting

Frederick County
Government Maryland

Planning for Advisory Group Meeting #4

- Review the results of the network protocol exercise
- Begin discussion of the structure/outline of a draft Plan document
- Discussion of green infrastructure as it relates to housing and workforce/employment

Division of
Planning and Permitting

Frederick County
Government Maryland
