SP277710	Days Inn	SITE	TYPE3	Type 3 Site Plan. This application seeks approval for the establishment and operation of a convenience store under a Type III Site Plan in accordance with the Frederick County Zoning Ordinance and related development regulations. The proposed commercial use is to serve the surrounding residential and commuter population with essential goods and services. Scope of Work: There will be no new construction, expansion, or structural modifications. The applicant intends to utilize the existing building and site infrastructure “as-is” without changes to:• Building footprint or height• Ingress/egress points or drive aisles• Parking layout or capacity• Stormwater management systems• Landscaping or impervious surface coverage The structure and site were previously developed and are currently zoned for commercial use. All existing utilities, access points, and service connections will remain unchanged. Compliance and Operations: The proposed convenience store use complies with the current zoning designation and is permissible under the Type III Plan criteria. The use is consistent with the comprehensive plan and does not require public infrastructure upgrades or variance requests. Operational hours will reflect community and commuter needs, with expected staffing of 3–5 employees. No Changes Summary: Element Change Proposed Building structure No Parking configuration No Site access or layout No Utility connections No Landscaping No Conclusion: The applicant respectfully requests expedited review and approval for this application, as the proposal involves no physical changes to the site or structure. The reuse of the existing facility as a convenience store presents a low-impact, neighborhood-serving commercial use aligned with the county’s goals for sustainable and efficient redevelopment.	5646 BUCKEYSTOWN PIKE	28582595	06/16/25
