¹ The loan consent form is not required to be filed if the loan is from the candidate or the candidate's spouse to the candidate's own campaign committee and if interest is not being charged on the loan.

² Loans must be repaid by the end of the next election cycle. If full repayment is not made, the balance due will be considered a contribution, unless the loan is from a financial institution in the business of making loans.

³ If the interest rate charged is less than the prime rate, the difference constitutes an in-kind contribution which must be reported on Schedule 1B of the current report.

⁴ Enter the bank lending prime rate on the day the loan was made. The prime rate can be ascertained by calling your local bank or contacting the State Board of Elections.

⁵ A non-candidate committee must provide the signature of the treasurer to acknowledge receipt of the loan. Candidate committees only need to have the candidate fill out and sign the *Consent of Candidate* box.
