Please respond to the questions below. If you prefer to provide responses or additional information in a separate file or document, send the file or document in a separate e-mail to rcherney@frederickcountymd.gov with the bill number/reference in the subject line.						
1.	Describe the impact of this proposed legislation on your agency (operations, revenues, expenditures, etc). If there is no impact, <u>please explain why.</u>					
This impact of this bill will restore the public process of considering an application for rezoning separately from the Developer Rights and Responsibilities Agreement (DRRA) and the Adequate Public Facilities Ordinance (APFO) and would restore the APFO determination by the Frederick County Planning Commission, after Phase I or zoning approval and prior to or at Phase II approval. This would preclude approval of APFO Letters of Understanding (LOU's) by an entity other than the Planning Commission. The result would be a clear and understandable development review and approval process for interested citizens and would encourage public participation.						
2.	Please indicate whether the proposed legislation will affect small businesses in Frederick County, and if it will, please provide any information you may have which could be useful in determining the economic impact on small businesses.					
This bill will have little to no economic effect on small businesses.
