Date:						
Please respond to the questions below. If you prefer to provide responses or additional information in a separate file or document, send the file or document in a separate e-mail to rcherney@frederickcountymd.gov with the bill number/reference in the subject line.						
1.	Describe the impact of this proposed legislation on your agency (operations, revenues, expenditures, etc). If there is no impact, <u>please explain why.</u>					
<p>This bill will allow Limited Private Event Venues, as defined, to be established in Agricultural Zone as an Accessory Use, and to include standards governing that use.</p> <p>The Division of Planning & Permitting believes existing staff will be sufficient to address any issues that may arise from the adoption of this bill. While there may be additional plan reviews, Board of Appeals reports and inspections, they anticipate being able to accommodate any increases in activity with current staffing levels.</p> <p>Any impact to the Frederick County Sheriff's Office would most likely be in the form of noise and traffic control. The Sheriff will most likely add duties for noise/traffic control to existing staff or perhaps reassign current or future staff based on fluctuating activity levels. There is the potential for future cost increases from the purchase of additional noise level monitors and noise/traffic control training for staff. There is also the possibility that the Sheriff would need to hire an additional Deputy or two to accommodate anticipated increased activity resulting from the adoption of this Bill.</p>						
2.	Please indicate whether the proposed legislation will affect small businesses in Frederick County, and if it will, please provide any information you may have which could be useful in determining the economic impact on small businesses.					
This legislation should have negligible impact on small businesses.
