## CAREGIVING- AN ISSUE FOR BUSINESSES

Almost half of the workforce expects to be providing eldercare in the next five years.

One in five employees retire early to provide care to an ill spouse of family member.

## DID YOU KNOW?

- 64% of caregivers report arriving late, leaving early or taking time off during the day
- 17% take a leave of absence from work
- 10% quit working or take early retirement
- 68% of employees make work accommodations for caregiving responsibilities...arrive late, leave early, take time off, reduce work hours, change jobs, quit
