1.	Describe the impact of this proposed legislation on your agency (operations, revenues, expenditures, etc). If there is no impact, <u>please explain why.</u>					
This bill should not fiscally impact the County. The purpose of this legislation is to provide another option to support construction of affordable housing in Frederick County by modifying the current accessory dwelling unit (ADU) regulations. The bill also serves to streamline the regulatory requirements for construction of these units by reducing parking requirements, reducing setback requirements, as well as modifying entrance and homeowner reporting requirements. This bill should be able to be implemented within the framework of existing staff and procedures.						
2.	Please indicate whether the proposed legislation will affect small businesses in Frederick County, and if it will, please provide any information you may have which could be useful in determining the economic impact on small businesses.
