

Instructions for making a call using FaceTime on Apple devices.

Please note – FaceTime can only be used when making calls from one Apple product to another Apple product.

For further assistance, please contact Senior Services Manager Brad Petersen at bpetersen@frederickcountymd.gov

FaceTime is a free Apple product feature that allows users to make a call video. FaceTime can be used with or without wi-fi. A wi-fi connection can be confirmed by

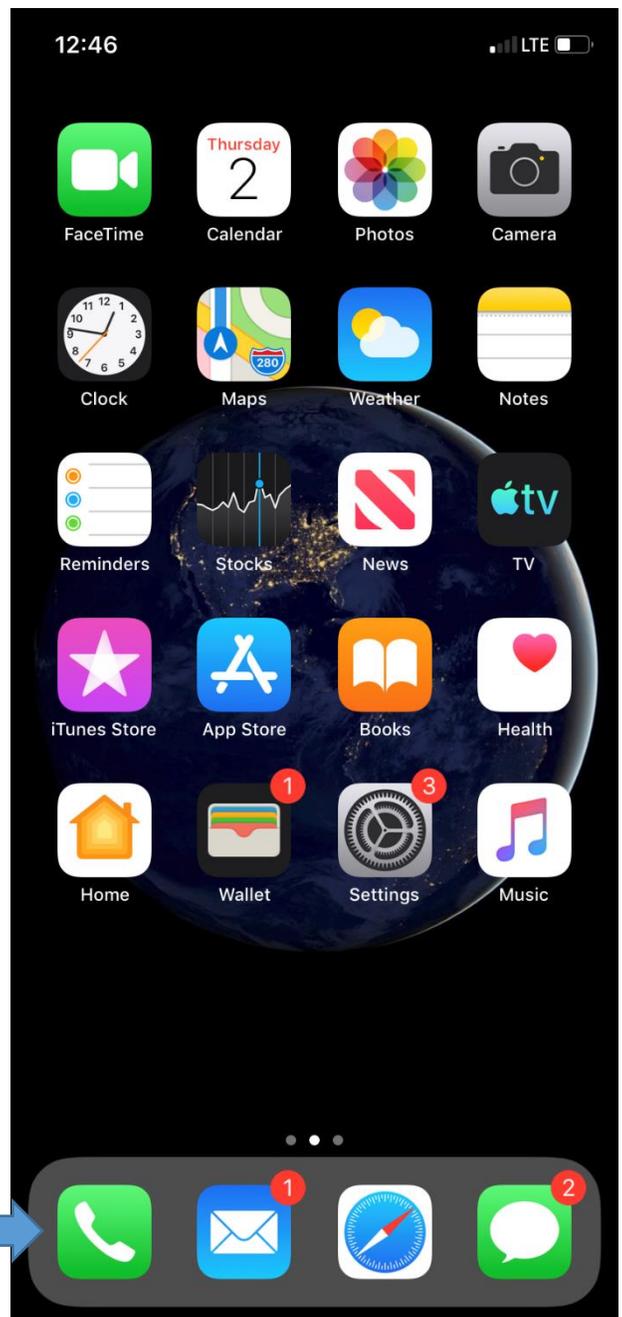

finding the symbol in the top right or left hand corner of your screen. Without wi-fi, data rates and charges may apply.

Apple products can be identified by the

Apple symbol on the back of the device.

Click on Phone app.
