|--|--|---|-----------------------|-----------------------|-----------------------|-----------------------|
| <b>Date:</b>   |  |   |                       |                       |                       |                       |
| <b>Please respond to the questions below. If you prefer to provide responses or additional information in a separate file or document, send the file or document in a separate e-mail to <a href="mailto:rcherney@frederickcountymd.gov">rcherney@frederickcountymd.gov</a> with the bill number/reference in the subject line.</b>  |  |   |                       |                       |                       |                       |
| <b>1.</b>  |  | Describe the impact of this proposed legislation on your agency (operations, revenues, expenditures, etc). If there is no impact, <u>please explain why.</u>  |                       |                       |                       |                       |
| <p>This bill includes amendments to the Frederick County Employees Retirement Plan (the "Plan") that 1) adds a "pop up" form of benefit payments, 2) updates the Plan's mortality table and interest assumptions, and 3) updates the consumer price index used to calculate earned income offsets to a participant's disability retirement benefit.</p> <p>This legislation will not have a fiscal impact to the County as the proposed amendments will not effect the annual required contribution to the pension plan.</p> |  |   |                       |                       |                       |                       |
| <b>2.</b>  |  | Please indicate whether the proposed legislation will affect small businesses in Frederick County, and if it will, please provide any information you may have which could be useful in determining the economic impact on small businesses.  |                       |                       |                       |                       |
| This legislation will not have an impact on small businesses.  |  |   |                       |                       |                       |                       |
