1.	Describe the impact of this proposed legislation on your agency (operations, revenues, expenditures, etc). If there is no impact, <u>please explain why</u> .
----	---

The legislation amends Chapter 1-19 of the Frederick County Code (Zoning) to allow farmers markets as a Temporary Outdoor Activity within certain zones, and adds farmers market as a customary accessory use on properties zoned Institutional. The legislation also includes a definition of a farmer's market.

This bill requires a Temporary Outdoor Activity permit be issued for a farmers market by the County's Zoning Administrator. County staff anticipate being able to accommodate any resulting increase in permitting activity within current staffing levels.

2.	Please indicate whether the proposed legislation will affect small businesses in Frederick County, and if it will, please provide any information you may have which could be useful in determining the economic impact on small businesses.
----	--

This legislation should have a positive impact on small businesses as it serves to expand the opportunities for farmers' markets in Frederick County.

N/A – It is anticipated that this legislation will result in a negligible increase in County fee revenue as a result of an increase in Temporary Outdoor Activity permit fees being collected for farmers markets.
