### Arm Yourself with COVID Vaccine Information

*A Virtual Workshop for Older Adults and Others Seeking Information  
About COVID-19 Precautions, Vaccine Safety and Future Clinics*

FREDERICK, Md. – The Frederick County Senior Services Division, in cooperation with Frederick County Health Department, will host a virtual workshop to give older adults, their family, friends, caregivers, and others information about continued COVID-19 precautions, current COVID vaccines, and county vaccination prioritization phases.

Dr. Randy Culpepper, Deputy Health Officer and Medical Director of the Frederick County Health Department, will conduct the virtual workshop on Friday, January 29, 2021 at 12:00pm.

No preregistration is required. Participants will be able to join the workshop about 5 minutes before the program begins. The program will utilize the Webex platform, allowing up to 1,000 participants to join the meeting by entering the following code into their browser: <https://bit.ly/36dHU6K>.

The presentation will be simultaneously broadcast via Facebook Live on the Frederick County Senior Services Division Facebook page (@FredCoMDSeniorServices). The Facebook video also will be available for viewing later. For information about programs and services, please visit:
