By Ordinance No. 93-11-075, the County established a retirement plan for the employees of Frederick County Government, effective July 1, 1993. The Frederick County Employees Retirement Plan (“Plan”) has been amended several times since then, most recently enacted Bill No. 20-11.

The County now restates the Plan generally effective July 1, 2021, to update the terms of the Plan, as amended from time to time. Effective July 1, 2021, the County wishes to establish the Frederick County Uniformed Employees Retirement Plan (“Uniformed Plan”).

The County intends for the Plan to continue to qualify under Section 401(a) of the Internal Revenue Code, so that the trust established under the plan will continue to be exempt from tax under Section 501 of the Code. The County also intends that the contributions made by Plan Participants through payroll deductions will continue to be characterized as “pick-up” contributions, as described in Section 414(h)(2) of the Code.

The County intends for the Uniformed Plan to qualify under Section 401(a) of the Internal Revenue Code, so that the trust established under the plan will continue to be exempt from tax under Section 501 of the Code. The County also intends that the contributions made by Uniformed Plan Participants through payroll deductions, although designated as employee contributions, are being paid by the County in lieu of contributions paid by the employee and will be characterized as “pick-up” contributions, as described in Section 414(h)(2) of the Code.

NOW, THEREFORE, BE IT ENACTED BY THE COUNTY COUNCIL OF FREDERICK COUNTY, MARYLAND, that the Frederick County Employees Retirement Plan be, and it is hereby, amended and the Frederick County Uniformed Employees Retirement Plan be, and it is hereby, adopted, as shown on the attached Exhibit 1.

M. C. Keegan-Ayer, President
County Council of Frederick County,
Maryland

14

4
5 Actuarial Reduction - A reduction which will cause a benefit with a starting
6 date which precedes a Participant's Normal Retirement Date to be the Actuarial Equivalent of the
7 benefit which would otherwise have been payable at Normal Retirement Date. However,
8 notwithstanding any factors set forth in the definition of Actuarial Equivalent for benefits paid to Non-
9 Uniformed Participants, the reduction with respect to a Non-Uniformed Participant whose
10 Employment Commencement Date is prior to July 1, 2011 shall be equal to .5% of the benefit for

4

5 C/L Increase - An automatic increase (without necessity of Plan amendment)
6 in a dollar value set forth or described in the Plan, for the purpose of reflecting increases in the cost
7 of living to the extent prescribed in or pursuant to regulations under Section 415(d) of the Internal

9 provision specifically governing the dollar value in question.
10

11 Compensation - The monthly equivalent of the Participant’s legislated base
12 annual salary determined without regard to: (i) overtime, bonuses and other extra remuneration; (ii)
13 amounts in excess of \$[19,071.66] 23,750.00 (as adjusted for C/L Increases); (iii) contributions,
14 credits or benefits under this Plan or under any other retirement, deferred compensation, fringe benefit
15 or employee welfare benefit plan, (iv) direct reimbursement for expenses; or (v) differential wage
16 payments as defined in Title 26, Section 3401(h) of the United States Code (referring to an employer
17 payment to an Employee called to active duty in the uniformed services for more than 30 days that
18 represents all or a portion of the pay [he] the Participant would have received from the County if he
19 or she were performing services for the County); provided however, that Compensation shall include
20 any amount that would have qualified as Compensation but for the fact that it constitutes salary
21 reduction under any plan described in Section 414(h)(2), 132(f) or 125 of the Internal Revenue Code.
22

23 In addition to other applicable limitations set forth in the Plan, and
24 notwithstanding any other provision of the Plan to the contrary, for Plan Years beginning on or after
25 January 1, 1994, the annual Compensation for each employee taken into account under the Plan shall
26 not exceed the OBRA ‘93 annual Compensation limit. The OBRA ‘93 annual Compensation limit is
27 \$150,000, as adjusted by the Commissioner for increases in the cost of living in accordance with
28 Section 401(a)(17)(b) of the Code. The cost-of-living adjustment in effect for a calendar year applies
29 to any period, not exceeding 12 months, over which Compensation is determined (determination
30 period) beginning in such calendar year. If a determination period consists of fewer than 12 months,
31 the OBRA ‘93 annual Compensation limit will be multiplied by a fraction, the numerator of which is
32 the number of months in the determination period, and the denominator of which is 12.
33

34 For Plan Years beginning on or after January 1, 1994, any reference in this
35 Plan to the limitation under Section 401(a)(17) of the Code shall mean the OBRA ‘93 annual

1 If Compensation for any prior determination period is taken into account in
2 determining an Employee’s benefits accruing in the current Plan Year, the Compensation for that
3 prior determination period is subject to the OBRA ’93 annual Compensation limit in effect for that
4 prior determination period. For this purpose, for determination periods beginning before the first day
5 of the first Plan Year beginning on or after January 1, 1994, the OBRA ’93 annual Compensation
6 limit is \$150,000.

7
8 The annual Compensation of each Participant taken into account in
9 determining benefit accruals for any Plan Year beginning after December 31, 2001, shall not exceed
10 \$200,000, as adjusted for cost-of-living increases in accordance with Section 401(a)(17)(b) of the
11 Code. Annual Compensation means Compensation during the Plan Year or such other consecutive
12 12-month period over which Compensation is otherwise determined under the Plan (the determination
13 period). The cost-of-living adjustment in effect for a calendar year applies to annual Compensation
14 for the determination period that begins with or within such calendar year.

2
3 Eligibility and Participation
4

5 3.1 Requirements - Except as otherwise provided below, a Covered Employee's
6 participation in this Plan, and the agreement to make contributions hereunder, as described in Section
7 5.4, is mandatory as a condition of employment with the County:
8

9 (a) Voluntary Participation - Every individual who is a Covered
10 Employee as of June 30, 1993, may elect to participate in the Plan effective July 1, 1993, and
11 continuing until his or her Termination Date. Such election shall be irrevocable, shall be made on a
12 written application supplied by the County and shall contain agreement to make, as a condition of his
13 or her employment with the County, Participant contributions as provided in Section 5.4. If an
14 otherwise eligible Employee fails to return the completed application to the Coordinator (as defined
15 in Section 11.2(d)) within 30 days after it has been provided to him or her by the County, he shall
16 cease to be a Covered Employee as of July 1, 1993.
17

18 (b) Mandatory Participation - Every other individual who becomes a
19 Covered Employee on or after July 1, 1993, shall become a Participant as a condition of his or her
20 employment on the date he first performs an Hour of Service as a Covered Employee. No individual
21 shall become a Participant, however, if he is not a Covered Employee on the date his or her
22 participation is to begin.
23

24 (c) Voluntary Participation: Elected Officials
25

26 (i) An individual who is initially classified as an Elected Official
27 under the terms of this Plan on or after January 1, 2002, may elect to participate in the Plan effective
28 as of the first day of employment as an Elected Official. An election to participate in the Plan shall
29 be irrevocable throughout the Elected Official's consecutive terms, shall be made on a written
30 application supplied by the County and shall contain an agreement to make Participant contributions
31 as provided in Section 5.4. If an otherwise eligible Elected Official fails to return the completed
32 application to the Coordinator (as defined in Section 11.2(d)) prior to the first day of employment by
33 the County as an Elected Official, the Elected Official shall cease to be a Covered Employee as of
34 that date and until a subsequent election to participate is made in accordance with Section 3.1(c)(ii).

1 (ii) An Elected Official who does not elect to participate in the
2 Plan prior to his or her initial term shall have subsequent opportunities to elect to participate in the
3 Plan prior to each subsequent term as an Elected Official. Such an election shall be made in
4 accordance with the provisions of Section 3.1(c).

5
6 3.2 Re-employment - If an Employee or Participant who reaches a Termination
7 Date is subsequently re-employed as a Covered Employee, his or her status with respect to the Plan
8 shall be governed by the following:

9
10 (a) Eligibility - If the reemployed Employee was not a Participant prior to
11 his or her Termination Date, or his or her Reemployment Commencement Date occurs prior to July
12 1, 1993, he shall become a Participant in accordance with the provisions of Section 3.1. If he was a
13 Participant prior to such termination, and if his or her Reemployment Commencement Date occurs
14 after June 30, 1993, his or her participation shall commence or resume immediately upon the
15 resumption of his or her status as a Covered Employee.

16
17 (b) Vesting and Benefit Accrual - Subject to Sections 3.2(d) and 4.2, if the
18 re-employed Employee was a Participant prior to his or her Termination Date, his or her prior Years
19 of Eligibility Service and Years of Creditable Service shall be aggregated with Years of Eligibility
20 Service and Years of Creditable Service performed after his or her Reemployment Commencement
21 Date, but only as a Covered Employee, for purposes of determining his or her eligibility to receive,
22 the vested percentage of, and amount of, his or her Accrued Benefit with respect to the periods before
23 and after the Participants' Breaks in Service.

24
25 (c) Benefit Payments - If, at the time of reemployment, the Employee is
26 receiving benefits under the Plan, such benefits (other than those previously funded through individual
27 or non-pooled group insurance annuity arrangements) shall cease until such time as they may be paid
28 in conjunction with the benefits accrued with respect to the Employee's subsequent employment,
29 provided he is reemployed as a Covered Employee. In any event, any benefits payable with respect
30 to his or her subsequent employment shall be reduced or offset if and as necessary to avoid duplication
31 of any benefits payable or paid with respect to his or her prior employment. Notwithstanding the
32 foregoing, the benefit payable following the Participant's subsequent retirement shall not be less than
33 the benefit payable with respect to the Participant's initial employment.

1 (d) Cash Out –
2

3 (i) If, after his or her Termination Date: (i) the Employee receives
4 a Cash-Out of his or her Employee Contributions Benefit, and (ii) he is reemployed as a Covered
5 Employee, then, notwithstanding the commencement of new Years of Eligibility Service and Years
6 of Creditable Service, the Years of Eligibility Service and Years of Creditable Service with respect to
7 which the distribution was received shall be disregarded in subsequent determinations of the amount
8 of, and vested percentage of, his or her Accrued Benefit. However, if the Covered Employee: (i) is
9 reemployed as a Covered Employee, and (ii) within 90 days of the resumption of such status, repays
10 to the Trust the amount described herein, his or her Accrued Benefit will be determined taking into
11 account the Participant's Years of Eligibility Service and Years of Creditable Service before as well
12 as after the Termination Date (subject to the remaining provisions of this Article III).

13
14 (A) If the number of the Covered Employee's consecutive
15 Breaks in Service are greater than the number of Years of Eligibility Service earned prior to the first
16 Break in Service, the required repayment will equal the Actuarial Equivalent of that portion of the
17 Covered Employee's projected benefit attributable to the Covered Employee's employment prior to
18 his or her first Break in Service.

19
20 (B) If the number of the Covered Employee's consecutive
21 Breaks in Service are less than or equal to the number of Years of Eligibility Service earned prior to
22 the first Break in Service, the required repayment will equal the full amount of the Cash Out, plus
23 interest from the date of distribution to the date of repayment at the rate of 4% per annum compounded
24 annually.

25
26 (ii) Notwithstanding the foregoing, if the employment
27 classification of a Covered Employee changes to the classification of an Employee who is not a
28 Covered Employee, the Employee who is not a Covered Employee will not be eligible to receive
29 a Cash-Out of his or her Employee Contributions Benefit until he ceases to be an Employee of the
30 County, or is otherwise eligible for payment of a deferred vested benefit in accordance with Section
31 6.5.

32
33 If the number of the Participant's consecutive Breaks in Service are greater
34 than the number of Years of Eligibility Service earned prior to the first Break in Service, the required
35 repayment will equal the Actuarial Equivalent of that portion of the Participant's projected benefit
36 attributable to the Participant's employment prior to his or her first Break in Service.

1 ARTICLE IV

2
3 Hours and Periods of Service

4
5 4.1 Credit for Service - Except as otherwise provided in this ARTICLE IV and in
6 ARTICLE III, a Participant will receive credit only for Years of Eligibility Service and Years of
7 Creditable Service. However, for purposes of determining a Participant's vested percentage of his or
8 her Accrued Benefit and his or her eligibility for retirement, Years of Eligibility Service completed
9 prior to one or more Breaks in Service will be disregarded if: (a) the Participant's vested percentage
10 in his or her Accrued Benefit was 0% at the time he incurred the Breaks in Service, and (b) the number
11 of consecutive Breaks in Service exceeds the number of Years of Eligibility Service completed prior
12 to the periods of Breaks in Service.

13
14 4.2 Leaves of Absence - Except as otherwise provided in this Section, Hours of
15 Service will not be counted for the customary hours of work during a Leave of Absence. However,
16 a Participant who fails to earn a Year of Eligibility Service or a Year of Creditable Service during a
17 Plan Year because of a Leave of Absence, which is approved by the County prior to the Leave of
18 Absence, may elect to receive credit for Years of Eligibility Service and Years of Creditable Service
19 as follows:

20
21 (a) Leave of Absence: Workers' Compensation – A Participant on a
22 Leave of Absence by reason of an accident or injury that has been sustained as an active Covered
23 Employee and that has been ruled compensable under the Maryland Workers' Compensation Act
24 may elect to receive credit for Years of Eligibility Service and Years of Creditable Service to the
25 extent of his or her authorized Leave of Absence. If a Participant does so elect he shall be required
26 to pay over to the Plan, within the buyback period, or within 90 days before his or her benefit
27 commencement date, the contributions that would have been made by the Participant pursuant to
28 Section 5.4 during the period of the Leave of Absence, plus interest of 4.0% computed on July 1 of
29 each year and compounded annually.

30
31 (b) Leave of Absence: Other than Workers' Compensation - A
32 Participant on a Leave of Absence other than by reason of an accident or injury that has been sustained
33 as an active Covered Employee and that has been ruled compensable under the Maryland Workers'
34 Compensation Act may elect to receive credit for Years of Eligibility Service and Years of Creditable
35 Service (to a maximum of one year) to the extent of his or her total authorized Leaves of Absence. If
36 a Participant does so elect he shall be required to pay over to the plan, within the buyback period, the
37 contributions that would have been made by the Participant pursuant to Section 5.4 during the period
38 of the Leave of Absence, plus the contributions made by the County at the time of the payment by the

1 Participant for the service credit, [for either Uniformed Participants or Non-Uniformed Participants,
2 determined with respect to the electing Participant’s classification at the time of the Leave of
3 Absence,] plus interest of 4.0% computed on July 1 of each year and compounded annually. For
4 purposes of this Section 4.2(b), the contributions that would have been made by the Participant and
5 the contributions that would have been made by the County will be based on Participant
6 Compensation that includes any scheduled pay adjustments that occurred during the [leave of
7 absence] Leave of Absence. For purposes of this Section 4.2(b), the contributions that would have
8 been made by the County will be based on the County’s net normal cost rate during the buyback
9 period. For purposes of this Section 4.2(b), the “net normal cost rate” equals the total normal cost as
10 a percentage of Participant payroll minus total Employee contributions as a percentage of Participant
11 payroll. If the Participant does not elect to pay the missed contributions, plus interest, during the
12 buyback period, and if the Participant’s Benefit Commencement Date does not occur during the
13 buyback period, the Participant may elect to receive credit for Years of Eligibility Service and Years
14 of Creditable Service (to a maximum of one year) to the extent of his or her total authorized Leaves
15 of Absence, if the Participant pays over to the Plan, within 12 months before his or her Termination
16 Date, the Actuarial Equivalent of that portion of his or her projected benefit attributable to the Leave
17 of Absence, and determined in accordance with Section 4.4(iii).

18
19 (c) Buyback Period; Form of Payment - For purposes of this Section 4.2,
20 the Participant’s “buyback period” is the one-year period beginning with the date the Participant
21 returns from the Leave of Absence. A Participant’s payments hereunder may be in the form of a lump
22 sum payment, installment payments, or a combination of the two forms of payment. A Participant’s
23 payments shall be accounted for pursuant to Section 5.5.

24
25 (d) Death and Disability Benefits - A Participant who is on a Leave of
26 Absence (or his or her Beneficiary) remains eligible for disability benefits as provided by Section 6.4
27 or for death benefits as provided by Section 7.1.

28
29 4.3 Fractional Credit for Service - To the extent not precluded by the operation of
30 Section 4.1, and except as otherwise provided in Section 4.4, an individual shall receive partial or full
31 credit for service, as follows:

32
33 (a) Vesting - For purposes of determining the extent to which a Participant
34 is vested in his or her Accrued Benefit, he shall receive credit on the basis of the number of his or her
35 Years of Eligibility Service. However, for Plan Years which contain the Participant’s Employment
36 Commencement Date, Reemployment Commencement Date, and the date of his or her termination
37 of employment with the County, he shall receive fractional credit equal to 1/12th of a Year of
38 Eligibility Service for each calendar month during which he was an Employee for the entire month.

1 Notwithstanding the foregoing, the Participant shall receive fractional credit equal to 1/12th of a Year
2 of Eligibility Service if he was an Employee for at least one day during the month which contains the
3 Participant's Employment Commencement Date or Reemployment Commencement Date, but he
4 shall receive no fractional credit with respect to the month which contains the date of his or her
5 termination of employment with the County unless he was an Employee for the entire month.

6
7 (b) Eligibility for Retirement - For purposes of determining whether a
8 Participant is eligible for retirement, he shall receive credit on the basis of the number of his or her
9 Years of Eligibility Service. However, for Plan Years which contain the Participant's Employment
10 Commencement Date, Reemployment Commencement Date, and the date of his or her termination
11 of employment with the County, he shall receive fractional credit equal to 1/12th of a Year of
12 Eligibility Service for each calendar month during which he was an Employee for the entire month.
13 Notwithstanding the foregoing, the Participant shall receive fractional credit equal to 1/12th of a Year
14 of Eligibility Service if he was a Covered Employee for at least one day during the month which
15 contains the Participant's Employment Commencement Date or Reemployment Commencement
16 Date, but he shall receive no fractional credit with respect to the month which contains the date of his
17 or her termination of employment with the County unless he was an Employee for the entire month.

18
19 (c) Benefit Accrual - For purposes of determining the extent to which a
20 Participant shall accrue benefits, he shall receive credit on the basis of the number of his or her Years
21 of Creditable Service. For Plan Years during which a Participant earns at least 700 Hours of Service,
22 but fails to earn a Year of Creditable Service, he shall receive credit for a fractional Year of Creditable
23 Service. For the Plan Years which contain the Participant's Employment Commencement Date and
24 his or her Termination Date, he shall receive fractional credit even if he earns fewer than 700 Hours
25 of Service. For purposes of calculating the fractional service described in this Section 4.3(c), the
26 numerator of the fraction shall be the number of Hours of Service earned by the Participant as a
27 Covered Employee during the Plan Year and the denominator shall be the number of Hours of Service
28 in a Year of Creditable Service.

29
30 4.4 Transfer of Credited Service; Purchase of Service Credit; Military Service- A
31 Participant may elect to receive credit for service (whether or not it would be considered a Year of
32 Eligibility Service or Year of Creditable Service had it been performed for the County) transferred
33 from another employer provided there is no break in employment between the Participant's
34 employment with such other Government Employer and commencement of service for the County.
35 If such service is transferred and recognized under the Plan, the number of years of service credited
36 and the amount of the benefit payable to the Participant pursuant to Section 6.1 shall be adjusted in
37 accordance with the following provisions:

1 (a) Conditions for Transfer -
2

3 (i) Credit for Years of Eligibility Service and Years of Creditable
4 Service shall be granted to any Participant: (A) who irrevocably elects, within the later of (1) one
5 year of first performing an Hour of Service as a Covered Employee, or (2) within 90 days following
6 July 1, 1998, to transfer the amount of any Participant contributions made to another Government
7 Employer Retirement Plan under which he was covered, together with interest previously credited by
8 such plan to this Plan; and (B) who is participating in a plan which provides for the transfer of credit
9 for service and contributions to this Plan. Notwithstanding the foregoing, service credit shall be given
10 for service transferred only to the extent required by, and in accordance with, the provisions of Title
11 37 of the State Personnel and Pensions Article of the Annotated Code of Maryland, or any successor
12 statute. With respect to service transferred pursuant to Section 37.203.1(d) of the State Personnel and
13 Pensions Article of the Annotated Code of Maryland, pertaining to transfers of service from certain
14 contributory systems of the State of Maryland, or any successor statute, the deposit of sums in addition
15 to the transfer of the Participant's contributions may be accomplished by one or more of the following
16 methods: (1) a lump sum cash payment to the Plan, (2) a rollover from another employer's qualified
17 retirement plan, (3) a rollover from an eligible deferred compensation plan established pursuant to
18 Section 457(b) of the Code, (4) a rollover from a tax deferred annuity established pursuant to Section
19 403(b) of the Code, or (5) a rollover from an individual retirement account established pursuant to
20 Section 408(a) of the Code.

21
22 (ii) If the Covered Employee was not required to make
23 contributions to such other Government Employer Retirement Plan for all years of participation in
24 such other Government Employer Retirement Plan and on all Compensation paid to the Covered
25 Employee, he may, nonetheless, elect to receive credit for Years of Eligibility Service and Years of
26 Creditable Service under this Plan. Such election: (A) shall be irrevocable; (B) shall be made within
27 the later of (1) one year of first performing an Hour of Service as a Covered Employee, or (2) within
28 90 days following July 1, 1998; and (C) shall be contingent upon the complete forfeiture of benefits
29 and service credits under the Government Employer Retirement Plan from which service credit is
30 being transferred. Notwithstanding the foregoing, service credit shall be given for service transferred
31 only to the extent required by, and in accordance with, the provisions of Title 37 of the State Personnel
32 and Pensions Article of the Annotated Code of Maryland, or any successor statute.

33
34 (iii) Any other Covered Employee may elect to receive credit for
35 Years of Eligibility Service and Years of Creditable Service (to a maximum of 10 years) to the extent
36 of the Covered Employee's service performed (1) with a state, municipality or political subdivision
37 with the United States of America, including the County, (2) with a Government Employer which is
38 not recognized in subparagraphs (i) or (ii) hereof, (3) with the government of the United States of
39 America, or (4) with private, parochial or out-of-state schools, provided such service is earned as a

1 teacher. Such election is available only if the Participant is not entitled to receive any retirement or
2 pension benefits derived from employer contributions with respect to the service performed for the
3 Government Employer. If the Participant does so elect, he [] or she shall be required to pay over to
4 the Plan the amounts determined in accordance with the following:

5
6 (A) Cost of Purchase - It is the intent of the County that a
7 Participant who elects to purchase credit for service hereunder pay the full actuarial cost of the credit
8 for service. The Participant's election to purchase service shall include an election by the Participant
9 of an assumed retirement date (the "Assumed Retirement Date") upon which the cost to purchase
10 service will be based. The cost of the purchase equals the present value of the Participant's projected
11 Accrued Benefit including the credit for the service purchased hereunder and calculated on the basis
12 of the Participant's Assumed Retirement Date, less the present value of the Participant's projected
13 Accrued Benefit without the service credit purchased hereunder. Present value will be determined
14 using the interest, post-retirement mortality, post-retirement benefit increase and pay increase
15 assumptions used by the enrolled actuary to perform the most recent actuarial valuation of the Plan.

16
17 (B) Timing of Election to Purchase Service - If the
18 Participant makes an election to purchase service under this Section 4.4(a)(iii), the election shall be
19 made, and the Participant shall make the required payments to the Plan, within the twelve month
20 period ending on the Participant's Termination Date. Notwithstanding the foregoing, the Participant's
21 election of the timing of payment for credit for service may be modified by the County to the extent
22 necessary to conform to Section 415 of the Internal Revenue Code.

23
24 (C) Methods of Payment for Purchased Service – The
25 Participant's election to purchase credit for service shall also include an election of the method by
26 which the Participant will purchase the credit for service. The Participant may pay over to the Plan
27 the amounts calculated pursuant to subsection (A) hereof by either (1) a lump sum cash payment to
28 the Plan, (2) a rollover from another employer's qualified retirement plan, (3) a rollover from an
29 eligible deferred compensation plan established pursuant to Section 457(b) of the Code, (4) a rollover
30 from a tax deferred annuity established pursuant to Section 403(b) of the Code, (5) a rollover from an
31 individual retirement account established pursuant to Section 408(a) of the Code, (6) installment
32 payments by the Participant to the Plan, or (7) a combination of any of the methods designated in (1)
33 through (6). Installment payments pursuant to (6) above may be made on either, but not both, an
34 after-tax basis, or, following the effective date of Section 5.4(a)(iii), a pre-tax basis. If the Participant
35 elects to purchase the credit in whole or in part by pre-tax installment payments pursuant to
36 Section 5.4(a)(iii), such a purchase shall be pursuant to a binding, irrevocable payroll deduction
37 authorization between the County and the Participant which provides for the number of payroll
38 deductions and the dollar amount of each deduction. After-tax installment payments may be made
39 by either, but not both, payroll deduction or direct payment by the Participant to the Plan.

1 Notwithstanding the foregoing, the Participant’s election of the method of payment for purchased
2 service may be modified by the County to the extent necessary to conform to Section 415 of the
3 Internal Revenue Code.

4
5 (D) Retirement Before or After Assumed Retirement Date

6 - If a Participant reaches a Termination Date on a date other than the Participant’s Assumed
7 Retirement Date, but after the Participant’s Early Retirement Date, the credit for service purchased
8 by the Participant will be adjusted so that the amount of credit purchased equals the amount that would
9 have been purchased (based on the Participant’s actual contributions) if the actual Termination Date
10 had been used (rather than the Assumed Retirement Date) for purposes of calculating the cost of the
11 service. If the adjustment reduces the amount of credit purchased, the Participant may pay over to
12 the plan, in one lump sum, an amount necessary to purchase the credit for the service which would
13 have been awarded if the Participant terminated employment on the Assumed Retirement Date,
14 provided such payment does not constitute a violation of Section 415 of the Internal Revenue Code.
15 If the adjustment increases the amount of credit purchased over the credit which would have been
16 awarded if the Participant terminated employment on the Assumed Retirement Date, the excess will
17 be used to provide an additional monthly benefit to the Participant.

18
19 (E) Return of Payments After Five Years of Service for

20 County - If a Participant reaches a Termination Date prior to his [/] or her Early Retirement Date or
21 Normal Retirement Date, but after completing five [years] Years of [service] Eligibility Service as a
22 County Employee, without regard to service purchased or transferred or received on account of
23 Military Service, the Participant, or the Participant’s Beneficiary, may elect, at any time following the
24 Participant’s Termination Date, to receive a return of the payments made pursuant to this Section
25 4.4(a)(iii), plus interest at the rate determined under (a) hereof, in the form of either (1) a lump sum
26 payment, or (2) a monthly benefit equivalent to the lump sum payment, with the equivalence to be
27 determined pursuant to the factors utilized pursuant to (a) hereof. Notwithstanding the foregoing, the
28 Participant’s election with respect to receipt of a return of payments may be modified to the extent
29 necessary to conform to Section 415 of the Internal Revenue Code.

30
31 (F) Return of Payments Prior to Five Years of Service for

32 County – If a Participant reaches a Termination Date prior to the date the Participant completes five
33 [years] Years of Eligibility Service as a County Employee, without regard to service purchased or
34 transferred or received on account of Military Service, the Participant, or the Participant’s Beneficiary,
35 will receive, as soon as practical following the Participant’s Termination Date, a return of the
36 payments made pursuant to this Section 4.4(a)(iii), plus interest at the rate determined under (a)
37 hereof, in the form of a lump sum payment. Notwithstanding the foregoing, the Participant’s receipt
38 of a return of payments may be modified to the extent necessary to conform to Section 415 of the
39 Internal Revenue Code. Notwithstanding the foregoing, to the extent the distribution exceeds \$1,000

2 at the election of the Participant.

3
4 (iv) Any Covered Employee as of June 30, 1993 may [elect] have
5 elected to receive credit for Years of Eligibility Service and Years of Creditable Service for service
6 recognized or performed under the Maryland State Retirement Systems. Such election must be
7 irrevocable and must be made prior to June 30, 1993. Any such service is not subject to the restrictions
8 of other subsections of Section 4.4(a).

9
10 (v) Any Covered Employee may elect to receive service credit for
11 his or her Military Service as follows (subject to any applicable law which mandates additional
12 benefits):

13
14 (A) If a Participant’s service with the County is interrupted
15 by Military Service, he will receive credit for Years of Eligibility Service and Years of Creditable
16 Service to the extent of his or her Military Service (to a maximum of five years unless a greater
17 amount is required by law) provided that he resumes employment with the County within one year of
18 his or her discharge from Military Service.

19
20 (B) If a Participant’s Military Service precedes his or her
21 Employment Commencement Date, the Participant will receive credit for Years of Eligibility Service
22 and Years of Creditable Service to the extent of his or her Military Service (to a maximum of five
23 years) provided that he (1) earns 10 Years of Eligibility Service other than his or her Military Service,
24 and (2) makes the election to receive service credit pursuant to this Section 4.4(a)(v)(B) prior to the
25 date he ceases to be an Employee.

26
27 (C) A Participant will not receive credit for service
28 pursuant to Section 4.4(a)(v)(A) if the service was rendered for the Peace Corps or the Volunteers in
29 Service to America or is service which is not “service in the uniformed services” within the meaning
30 of the Uniformed Services Employment and Reemployment Rights Act of 1994. A Participant will
31 not receive credit for service pursuant to Section 4.4(a)(v)(B): (1) if the Military Service has been

11 awarded disability benefits pursuant to Section 223 of the Federal Social Security Act (42 U.S.C.
12 Section 423), or any successor statute. “Non-catastrophic disability” means a line of duty disability
13 which is not a catastrophic disability.
14

15 (B) A Participant’s line of duty disability shall be
16 classified as a “non-catastrophic disability” until the Participant provides the County with evidence

19 (C) To be eligible for the classification of line of duty
20 disability benefits as “catastrophic,” the Participant must not have been receiving Social Security
21 disability benefits as of his or her Termination Date, and must apply for Social Security disability
22 benefits no later than 90 days following his or her Termination Date.
23

24 (D) As soon as administratively practical after receipt of
25 the notification of the award of Social Security disability benefits, the Participant’s monthly benefit
26 shall be converted to a catastrophic line of duty disability benefit. With respect to a Participant

32 of Eligibility Service.
33

34 (E) As of the July 1 following the date the Participant
35 ceases to be eligible for Social Security disability benefits, the Participant’s line of duty disability

37 Participant has attained his or her Normal Retirement Date, based on age and/or projected Years
38 of Eligibility Service, on the date he ceases to be eligible for Social Security disability benefits,
39 his or her benefits will convert to a normal retirement benefit, as provided in Section 6.4(d)(x), as
40 of the first day of the following month. Notwithstanding the foregoing, the cessation of the Social
41 Security disability benefits upon the Participant’s reaching Social Security retirement age shall not
42 result in a reclassification of the Participant’s catastrophic line of duty disability benefits.

10 reason of total and permanent disability attains his or her Normal Retirement Date, based on age
11 and/or projected Years of Eligibility Service, the Participant's benefits payable pursuant to Section
12 6.4(a) and Section 6.4(b), but only with respect to a non-catastrophic line of duty disability, shall be

23 review in accordance with rules established by the County to determine his or her employment status,

25 employment. The review process also includes the requirement that the disabled Participant furnish
26 to the County a copy of his or her federal income tax return each year and such other documentation
27 as may reasonably be requested by the County. In the event a disabled Participant ceases to submit
28 to such review, at any time prior to his or her Normal Retirement Date, the Participant will be deemed

16 paid to the Participant in the normal monthly form of retirement income described in Section 6.1, or

3 Distribution of Benefits
4

5 8.1 Method of Payment - All benefit distributions shall be in cash or in annuity
6 contracts as provided herein. The County shall determine, in its discretion, whether the distribution
7 shall be funded through periodic payments made directly from the Trust, or through the purchase of
8 annuity contracts, or whether a combination of such methods of distribution shall be used, and the
9 County shall give to the Trustees such directions and information as may be necessary for the Trustees
10 to carry out the decision of the County. If the County shall determine that the whole or any part of
11 the distribution is to be funded through purchase of an annuity contract for a Participant, the County
12 shall select such form of contract to be so purchased and shall direct the Trustees to pay the premium
13 of such contract to the issuing company. The County shall direct that all right, title and interest in
14 such contract shall remain in the Trustees under the terms of the Plan and the Participant shall have
15 no right, title or interest therein except to receive the payments therefrom as provided therein, and,
16 subject to Section 9.1, to change the Beneficiary from time to time; alternatively, the County may
17 direct that the contract shall be purchased in the name of the Participant and distributed to him or her
18 free and clear of the Trust, in which case: (i) the contract shall be issued so as to be nontransferable,
19 (ii) it shall not contain a death benefit in excess of the death benefit provided in Article VII hereof or
20 in this Article VIII, and (iii) it shall not contain provisions that expand upon, change or eliminate any
21 Plan provisions applicable to distributions in annuity form.

22
23 Notwithstanding the foregoing, to the extent a Participant is entitled to receive
24 a Pick-Up Contributions Benefit, distribution of the benefit shall be in the form of cash or in one lump
25 sum distribution.

26
27 8.2 Optional Forms of Benefit - A Participant, subject to the conditions hereinafter
28 set forth, may elect to receive, in lieu of the normal monthly form of retirement income described in
29 Section 6.1, a benefit, which is the Actuarial Equivalent of the normal form of retirement income
30 described in Section 6.1, payable in any of the following forms:

31
32 (a) Joint and Survivor Option - The joint and survivor option is a monthly
33 income payable during the Participant's lifetime and continuing after his or her death at either 50%
34 or 100% (as elected by the Participant) of the rate to his or her Beneficiary for the remainder of such
35 Beneficiary's life.

1 If the Participant's Beneficiary dies before the date on which the
2 Participant's benefits have commenced (whether before or after his or her Termination Date), the
3 election shall thereupon become void; if the Participant's Beneficiary dies after the date on which the
4 Participant's benefits have commenced, or the Participant becomes divorced from his or her
5 Beneficiary, but before the death of the Participant, the election shall remain effective and the
6 Participant shall continue to receive the reduced retirement income payable to him or her in
7 accordance with the option.

8
9 (b) Single Life Annuity with Ten Year Guarantee Option - The Single
10 Life Annuity with Ten Year Guarantee Option is a monthly income payable during the Participant's
11 lifetime, with the provision that, if the Participant dies before receiving retirement benefit payments
12 for a period of 120 months, after the Participant's death, 100% of his or her monthly retirement benefit
13 will continue for the remainder of the 120 month period to the Beneficiary determined in accordance
14 with Section 9.1.

15
16 (c) Lump Sum Method - The lump sum method is a Cash-Out of the
17 Participant's Employee Contributions Benefit, made at the election of the Participant pursuant to
18 Sections 5.4(c) or 5.5(e), in lieu of all other benefits under the Plan.

19
20 (d) Joint and Survivor Option – With Pop Up to Normal Form - The joint
21 and survivor option – with pop up to normal form is a monthly income, payable during the
22 Participant's lifetime and continuing after the Participant's death at either 50% or 100% (as elected by
23 the Participant) of the rate to his or her Beneficiary for the remainder of such Beneficiary's life and
24 which is the Actuarial Equivalent of the normal form of benefit described in Section 6.1.

25
26 If the Participant's Beneficiary dies before the Participant's Benefit
27 Commencement Date (whether before or after his or her Termination Date), the Participant's election
28 of the Joint and Survivor Option – with Pop Up to Normal Form shall become void.

29
30 If the Participant's Beneficiary dies after the Participant's Benefit
31 Commencement Date, but before the death of the Participant, the Participant's election shall convert
32 to the normal form of benefit payment described in Section 6.1, payable for the remainder of the
33 Participant's life. If the Participant becomes divorced from the Beneficiary, the election shall remain
34 effective; the benefit will not convert to the normal form of benefit payment described in Section 6.1,
35 unless the Participant's Beneficiary dies after the Participant's Benefit Commencement Date, but
36 before the death of the Participant.

1 8.3 General Provisions Applicable to Options -

2
3 (a) Minimum Distribution Requirements -Notwithstanding any other
4 provision in the Plan to the contrary, distribution shall be made only in accordance with regulations
5 prescribed by the Internal Revenue Service under Section 401(a)(9) of the Internal Revenue Code.
6 To the extent required thereby, distribution of benefits shall comply with the following limitations:

7
8 (i) Except as otherwise provided below, distribution shall begin
9 not later than the calendar year (hereinafter referred to as the “Commencement Year”) in which the
10 Participant reaches age 70-1/2 or in which he subsequently retires. Distribution shall be made over
11 the life of the Participant or the lives of the Participant and his or her Beneficiary, and/or over a period
12 certain not extending beyond the life expectancy of the Participant or the joint life and last survivor
13 expectancy of the Participant and his or her Beneficiary, all as described in Treasury Regulation
14 § 1.401(a)(9)-1, or, if shorter, the alternate period described in Treasury Regulation § 1.401(a)(9)-2.

15
16 (ii) A required distribution shall be deemed to have been made
17 during the Commencement Year if actually made by the following April 1, but such delayed
18 distribution shall not change the amount of such distribution, and the distribution otherwise required
19 during the subsequent calendar year shall be calculated as if the first distribution had been made on
20 the last day of the Commencement Year.

21
22 (iii) Benefits paid prior to the Commencement Year shall reduce
23 the aggregate amount subject to (but shall not otherwise negate) the minimum distribution
24 requirements described herein.

25
26 (iv) Nothing contained in this Section 8.3(a) shall prevent
27 distribution of annuity benefits providing for non-increasing payments (except as otherwise permitted
28 in Treasury Regulation 1.401(a)(9)-1) payments beginning not later than the Commencement Year
29 (except as provided in (iii) above) and payable at least annually over a period permitted by this Section
30 8.3(a) (for which purpose, if benefit commencement under the annuity precedes the Commencement
31 Year, each relevant life expectancy shall be based on the individual’s attained age as of his or her
32 birthday occurring in the calendar year in which benefit commencement occurs). Any benefits
33 accruing after the Commencement Year shall be treated as a separate identifiable component
34 distributable in accordance with this Section 8.3(a) beginning in the Payment Year following the year
35 of accrual.

1 (v) If the provisions of this Section 8.3(a) require the
2 commencement of benefits to a Participant who has not yet terminated employment, distribution shall
3 be made or commenced in accordance with this ARTICLE VIII as if the Participant had retired on
4 the last day of the Commencement Year. However, notwithstanding the commencement of benefits
5 pursuant to this Section 8.3(a), all other aspects of the Participant's Plan participation shall continue
6 in accordance with the remaining provisions of the Plan. The Actuarial Equivalent of any additional
7 benefits which may accrue to the Participant pursuant to Section 6.3 after his or her benefits have
8 been paid or commenced by reason of this Section 8.3(a) shall increase the amount of periodic benefit
9 payments being received by the Participant under the Plan.

10
11 (vi) With respect to distributions under the Plan made for calendar
12 years beginning on or after January 1, 2001, the Plan will apply the minimum distribution
13 requirements of Section 401(a)(9) of the Code in accordance with the Treasury Regulations under
14 Section 401(a)(9) of the Code that were proposed on January 17, 2001, notwithstanding any provision
15 of the Plan to the contrary. This amendment shall continue in effect until the end of the last calendar
16 year beginning before the effective date of final regulations promulgated under Section 401(a)(9) of
17 the Code, or such other date as may be specified in guidance published by the Internal Revenue Code.

18
19 (b) Election Procedures - An election of any optional form of benefit
20 described in Section 8.2, or any revocation or change of such election, must be made by a Participant
21 in writing, on a form supplied by or acceptable to the County.

22
23 (c) Effect of Death - In the event of the death of a Participant prior to the
24 date on which his or her benefits are due to commence under the terms of the Plan, no benefits shall
25 be payable to his or her spouse or other Beneficiary except as provided in ARTICLE VII, regardless
26 of whether or not the Participant has elected an optional form of benefit pursuant to this
27 ARTICLE VIII.

28
29 8.4 Eligible Rollover Distributions. Notwithstanding any provision of the Plan to
30 the contrary that would otherwise limit a Distributee's election under this Section, a Distributee may
31 elect, at the time and in the manner prescribed by the Plan Administrator, to have any portion of an

5 Eligible Rollover Distribution does not include: any distribution that is one of a series of substantially
6 equal periodic payments (not less frequently than annually) made for the life (or life expectancy) of
7 the Distributee or the joint lives (or joint life expectancies) of the Distributee and the Distributee's
8 designated Beneficiary, or for a specified period of ten years or more; any distribution to the extent
9 such distribution is required under Section 401(a)(9) of the Code; and the portion of any distribution
10 that is not includible in gross income (determined without regard to the exclusion for net unrealized
11 appreciation with respect to employer securities).

12
13 Eligible Retirement Plan: An Eligible Retirement Plan is an individual
14 retirement account described in Section 408(a) of the Code, an individual retirement annuity
15 described in Section 408(b) of the Code, or a qualified trust described in Section 401(a) of the Code,
16 that accepts the Distributee's Eligible Rollover Distribution. However, in the case of an Eligible
17 Rollover Distribution to the surviving spouse of a Participant or former Participant, an Eligible

19 of an Eligible Rollover Distribution to a non-spouse Beneficiary of the Participant, an Eligible

23 in Section 403(a) of the Code and an eligible plan under Section 457(b) of the Code which is
24 maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or

28 Retirement Plan" shall also apply in the case of a distribution to a surviving spouse, or to a spouse or
29 former spouse who is the alternate payee under a qualified domestic relations order, as defined in
30 Section 414(p) of the Code. With respect to distributions made after December 31, 2006, to the extent

16 transferred to another state or local retirement or pension system because of an involuntary transfer
17 of the Participant’s employing unit to another employer, all of the County’s contributions on behalf
18 of the Participant and interest on those contributions shall be transferred to the new system. The
19 amount to be transferred to the new system shall be determined by actuarial valuation.

5 9.1 Designation of Beneficiaries

6
7 (a) General Provisions - Each Participant may designate a Beneficiary or
8 Beneficiaries (who may be named contingently or successively) to receive such benefits as may be
9 payable under the Plan upon or after his or her death, and, subject to the provisions of ARTICLE VIII,
10 such designation may be changed from time to time by the Participant by filing a new designation.
11 Each designation will revoke all prior designations by the same Participant, shall be in form prescribed
12 by the County, and will be effective only when filed in writing with the County during the
13 Participant's lifetime.

14
15 (b) Married Participants - In the case of a married Participant, the
16 designation of a Beneficiary other than the Participant's spouse as the sole, primary Beneficiary shall
17 be void unless such spouse has filed a written consent to such a designation with the Administrator.

23 (c) Absence of Valid Designation - In the absence of a valid Beneficiary
24 designation (except in conjunction with the election of a form of benefit payment which does not
25 require the designation of a specific Beneficiary), or if, at the time any benefit payment is due to a
26 Beneficiary, there is no living Beneficiary eligible to receive the payment, validly named by the
27 Participant, the County shall direct the Trustees to distribute any such benefit payment to the
28 Participant's spouse, if then living, otherwise to the Participant's then living descendants, if any, per

30 Participant's estate. In determining the existence or identity of anyone entitled to a benefit payment,

33 or in the event that any question arises as to the right of any person to receive a benefit payment as
34 aforesaid, or in the event that a dispute arises with respect to any such payment, then, notwithstanding
35 the foregoing, the County, in its sole discretion, may, in complete discharge of the County and the
36 Trustees, and without liability for any tax or other consequences which might flow therefrom, direct

12
13 10.2 Prohibition Against Diversion of Funds - It shall be impossible by operation

25 However, the prohibitions of the preceding sentence shall not apply to, and the Trustees shall fully
26 recognize the creation, assignment or recognition of a right to any benefit payable with respect to a
27 Participant pursuant to a "Qualified Domestic Relations Order." For the purposes hereof, a Qualified
28 Domestic Relations Order shall mean a judgment, decree or order made pursuant to a state domestic
29 relations law which relates to the provision of child support, alimony payments or material property
30 rights and (a) which clearly specifies: (i) the names and last known mailing addresses of the

22 (c) Fiduciary duties, powers and responsibilities (other than those
23 reserved to the Trustees, with respect to management or control of Trust assets) may be allocated
24 among the fiduciaries (if there be more than one) to whom such duties, powers and responsibilities
25 have been delegated, so long as such allocation is pursuant to action of the County or by written
26 agreement executed by the involved fiduciaries and approved by the County in which case, such
27 fiduciary shall not have any liability, with respect to any duties, powers or responsibilities not
28 allocated to him or her, for the acts or omissions of any other fiduciary. Any person may serve in
29 more than one fiduciary capacity under the Plan, including those of Administrator and Trustee.

30
31 (d) The Administrator may appoint any persons or firms, or otherwise
32 act to secure specialized advice or assistance, as it deems necessary or desirable in connection with
33 the administration and operation of the Plan; the Administrator shall be entitled to rely
34 conclusively upon, and shall be fully protected in any action or omission taken by it in good faith

1 powers or responsibilities under the Plan, both ministerial and discretionary, as it deems
2 appropriate, to the specified Employee who shall be designated by the Director of Human
3 Resources to assist the Administrator (the “Coordinator”) and in the same manner to revoke any
4 such delegation of duties, powers and responsibilities. The Administrator shall also have the
5 power and authority to delegate by written instrument all or a part of its duties, powers and
6 responsibilities with respect to disability determinations to a board appointed by the Administrator
7 (the “Disability Review Board”), and, in the same manner to revoke any such delegation of duties,
8 power and responsibilities. Any action of the Coordinator or the Disability Review Board in the
9 exercise of such delegated duties, powers and responsibilities shall have the same force and effect
10 for all purposes hereunder as if such action had been taken by the Administrator. Further, the
11 Administrator may authorize the Coordinator or the Disability Review Board to execute any
12 certificate or document on behalf of the Administrator, in which event any person notified by the
13 Administrator of such authorization shall be entitled to accept and conclusively rely upon any such
14 certificate or document executed by such person as representing action by the Administrator until
15 such third person shall have been notified of the revocation of such authority. The Administrator
16 shall not be liable for any act or omission of any person to whom the Administrator’s duties,
17 powers or responsibilities have been delegated, nor shall any person to whom any duties, powers
18 or responsibilities have been delegated have any liabilities with respect to any duties, powers or
19 responsibilities not delegated to him or her.

20
21 (e) All representatives of the County, and/or members of the Retirement
22 Plan Committee shall use ordinary care and diligence in the performance of their duties pertaining to
23 the Plan, but no such individual shall incur any liability: (i) by virtue of any contract, agreement,
24 bond or other instrument made or executed by him or her or on his or her behalf in his or her official
25 capacity with respect to the Plan, (ii) for any act or failure to act, or any mistake or judgment made,
26 in his or her official capacity with respect to the Plan, unless resulting from his or her gross negligence
27 or willful misconduct, or (iii) for the neglect, omission or wrongdoing of any other person involved
28 with the Plan. The Plan shall indemnify and hold harmless each such individual from the effects and
29 consequences of his or her acts, omissions and conduct in his or her official capacity with respect to
30 the Plan, except to the extent that such effects and consequences shall result from his or her own
31 willful misconduct or gross negligence; provided, however, that any person who shall claim the right
32 to any payment or damage as a result of the actions of any individual in connection with the
33 performance of their duties pertaining to the Plan, shall be entitled to look only to the Trust created
34 by the Plan for payment. Such individual shall have no other right, claim or demand therefor against
35 the County.

36
37 (f) The Plan may purchase, from Plan assets, as an expense of the Plan,
38 liability insurance for the Plan and/or for its fiduciaries to cover liability or losses occurring by reason
39 of an act or omission of a fiduciary, providing such insurance contract permits recourse by the insurer
40 against the fiduciary in the case of breach of fiduciary obligation by such fiduciary. Any fiduciary

2 of a breach of fiduciary duty and the County may also purchase insurance to cover the potential
3 liability of one or more persons who serve in a fiduciary capacity with regard to the Plan.

4
5 (g) Nothing in the Plan shall be construed so as to prevent any fiduciary
6 from: (i) receiving any benefit to which he may be entitled as a Participant or Beneficiary, or (ii)
7 receiving any reasonable compensation for services rendered, or for the reimbursement of expenses
8 properly incurred in the performance of his or her duties under the Plan (except that no person so
9 serving who receives compensation as an Employee shall receive compensation from the Plan, except
10 for reimbursement of expenses properly incurred), or (iii) serving as a fiduciary in addition to being
11 an officer, employee, agent, or other representative of the County or any related entity. However, the
12 fiduciary shall not be entitled to vote or act upon, or execute on behalf of the Plan, documents
13 specifically relating to his or her own participation in the Plan.

14
15 11.3 Retirement Plan Committee - There shall be a committee, to be known as the
16 Retirement Plan Committee, which in the absence of any designation to the contrary by the County,
17 shall serve as Administrator. Except to the extent that the County has retained any power or authority,
18 or allocated duties and responsibilities to another administrator or other fiduciary, said Committee
19 shall have full power and authority to administer and operate the Plan in accordance with its terms
20 and in particular the authority contained in this ARTICLE XI, and, in acting pursuant thereto, shall

2
3 Termination

4
5 13.1 Right to Terminate - It is the present intention of the County to maintain the
6 Plan throughout the County's existence. Nevertheless, the County reserves the right, at any time, to
7 permanently discontinue further contributions to the Trust or to terminate the entire Plan and Trust.

8
9 13.2 Automatic Termination of Contributions - The liability of the County to make
10 contributions to the Trust shall automatically terminate upon liquidation of the County, upon its
11 adjudication as a bankrupt or upon the making of a general assignment for the benefit of creditors.

12
13 13.3 Allocation and Distribution - This Section shall become operative in any of
14 the following events: (a) a complete termination of the County's liability to make further
15 contributions to the Trust; (b) a complete discontinuance of contributions by the County to the Trust;
16 or (c) a complete termination of the Plan. The effective date of any termination or discontinuance of
17 contributions shall be as set forth in a resolution adopted by the County. The provisions of this Section
18 shall also become operative in the event of a partial termination of the Plan, but only with respect to
19 that portion of the Plan attributable to the Participants to whom the termination is applicable. Upon
20 the effective date of any such event, then, notwithstanding any other provisions of the Plan, subject
21 to the remainder of this Section 13.3, no persons who were not theretofore Participants shall be
22 eligible to become Participants, no further benefits shall accrue and the Accrued Benefits of all
23 Participants not theretofore vested, and not theretofore forfeited shall immediately become fully
24 vested. The Accrued Benefits of all Participants and Beneficiaries shall be determined and distributed
25 to them, as soon as is practicable after such termination or discontinuance, in accordance with
26 ARTICLES VI and VIII. The assets in the Trust shall be allocated for the purposes set forth below
27 and in the order set forth below, to the extent the assets are sufficient therefor. The allocations may
28 be implemented by distribution of Trust assets, or by the purchase and distribution by the Trustees of
29 insurance company annuity contracts, or by a combination of these methods. Upon termination of
30 the Trust, the Trustees shall liquidate all assets remaining in the Trust. After deduction of estimated
31 expenses in liquidating and distributing the Trust, and any reasonable compensation for the Trustees
32 agreed upon with the County, the balance of the Trust assets shall be allocated so as to provide the
33 Accrued Benefits otherwise payable under the Plan pursuant to the following order of priorities:

34
35 (i) To provide Accrued Benefits for each Participant who: (A) had begun
36 to receive benefits at least three years prior to the effective date of the termination of the Plan, (B)
37 would have begun to receive retirement or disability benefits at least three years prior to the effective
38 date of the termination of the Plan but for the fact that commencement of benefits was deferred, or

1 (C) would have been eligible to receive retirement benefits at least three years prior to the effective
2 date of the termination of the Plan but for the fact that the Participant did not actually retire; and

3
4 (ii) To provide Accrued Benefits for all other Participants, in the following
5 order of preference:

6
7 (A) for each Participant who would have qualified under priority
8 (i) above but for the fact that the entitling event occurred or would have occurred within three years
9 of the effective date of the termination of the Plan, and

10
11 (B) for all other Participants in this priority (ii).

12
13 Trust assets shall be utilized under a particular priority only after all Accrued
14 Benefits set forth in all preceding priorities shall have been fully provided for. For purposes of the
15 allocation of funds within each priority, as set forth above, funds will be credited to each Participant
16 to provide the Accrued Benefits to which he is so entitled, but only to the extent that such Accrued
17 Benefits have not been provided under a preceding priority. Any reductions in Accrued Benefits
18 within a particular priority (or within any particular preference set forth within a priority) as set forth
19 above, due to insufficient Trust assets, shall be allocated pro rata among the Participants within that
20 priority (or preference) on the basis of then present values of the respective Accrued Benefits
21 described in that priority (or preference) for each such Participant. Any reference to Accrued Benefits
22 payable to Participants shall also be deemed to include Accrued Benefits payable to Beneficiaries of
23 deceased Participants. If any balance of Trust assets remains after all of the allocations described
24 above, and after all liabilities with respect to Participants and retired Participants and their
25 Beneficiaries, if any, are satisfied, then the balance shall be returned to the County, and the Trust shall
26 terminate. Upon making such distribution, the Trustees shall be discharged from all obligations under
27 the Trust and no Participant shall have any further right or claim therein.

28
29 Notwithstanding any provision to the contrary in this ARTICLE XIII, if a
30 Participant dies during the interim between the effective date of termination and the distribution of
31 Trust assets, and if his or her Benefit Commencement Date had not yet occurred as of the effective
32 date of termination, the amount distributable to him or [his] her or a Beneficiary, and the timing
33 thereof, shall be determined pursuant to ARTICLE VII.

34
35 As an alternative to immediate distribution of the Trust, the County, in its
36 discretion, and subject to its option at any time to require the complete distribution of the Trust to the
37 then Participants in accordance with the first paragraph of this Section 13.3, may defer

1 commencement of benefits to each Participant until such Participant reaches an event which would
2 otherwise entitle him or her to benefit commencement pursuant to ARTICLE VI, at which time the
3 provisions of ARTICLE VIII shall become applicable. During the interim period, there shall be
4 established and maintained a separate account in the name of each Participant, based upon the values
5 established pursuant to this Section 13.3 and/or Section 13.4. The separate account shall thereafter
6 define and measure the amount available for benefits distributable to him or her, and there shall be
7 credited or charged thereto any income, expenses, gains or losses (whether or not realized, based upon
8 fair market value of invested assets) attributable or allocable thereto as of each Trust valuation date
9 (or the date of complete distribution of the Trust) with respect to the period since the last valuation
10 date.

11
12 The provisions set forth in this Section 13.3 shall be subject to such
13 modification, retroactively if required, without necessity of formal amendment to the Plan, as may be
14 necessary in order to cause the termination of the Plan and/or Trust, and any distributions made
15 pursuant thereto and to conform to any requirements which may be imposed by the Internal Revenue
16 Service to prevent disqualification of the Plan and/or Trust, and no such modification shall be deemed
17 prejudicial to the interest of any Participant or Beneficiary.

18
19 13.4 Provision to Prevent Discrimination on Early Termination - Notwithstanding
20 any provision in the Plan to the contrary, in the event that the Plan and Trust terminates on or after
21 July 1, 1993, the benefit of any “highly compensated employee,” as such term is defined in Section
22 414(q) of the Internal Revenue Code and the regulations promulgated thereunder, shall be limited to
23 a benefit that is nondiscriminatory under Section 401(a)(4) of the Internal Revenue Code.
24 Notwithstanding any other provision of this Plan and Trust, the benefits payable under this Plan and
25 Trust to any Restricted Participant, as defined below, on or after July 1, 1993, shall be limited to an
26 amount equal in each year to the payments that would be made on behalf of the Restricted Participant
27 under a straight life annuity that is the Actuarial Equivalent of the Accrued Benefit to which the
28 Restricted Participant is entitled under the Plan and Trust. The limitation described in the preceding
29 sentence, however, shall not apply if: (i) after payment of benefits under the Plan and Trust to the
30 Restricted Participant, the value of Plan assets equals or exceeds 110 percent of the value of current
31 liabilities, as defined in Section 412(1)(7) of the Internal Revenue Code, (ii) the value of the benefits
32 payable to the Restricted Participant is less than one percent of the value of current liabilities, as
33 defined in Section 412(1)(7) of the Internal Revenue Code, before distribution, or (iii) the present
34 value of the benefits payable to the Restricted Participant on the Annuity Starting Date does not
35 exceed \$3,500.

36
37 For the purposes hereof, a Restricted Participant is a Participant or former
38 Participant who, during a particular Plan Year, is one of the 25 highest-paid “highly compensated

3
4 A Participant’s Annuity Starting Date is the first day of the first period for
5 which an amount is to be paid to the Participant, former Participant or Beneficiary as an annuity, or,
6 in the case of a benefit not payable in the form of an annuity, the first day on which all events have
7 occurred which entitle the Participant, former Participant or Beneficiary to such benefit.

8
9 13.5 Plan Combinations and Transfers - In the case of any merger or consolidation
10 of the Plan with, or transfer of assets or liabilities of the Trust to, any other plan, the transaction shall
11 be structured so that each Participant in the Plan would (if the Plan then terminated) receive a benefit
12 immediately after the transaction which is at least equal to the benefit he would have been entitled to
13 receive immediately before the transaction (if the Plan had then terminated).

3 Miscellaneous

4
5 14.1 Limitations on Liability of County - Neither the establishment of the Plan or
6 Trust, nor any modification thereof, nor the creation of any fund or account, nor the payment of any
7 benefits, shall be construed as giving to any Participant or other person any legal or equitable right
8 against the County (or any person connected therewith) the Trustees or any insurance company,
9 except as provided by law, by any Plan provision or by the terms of any insurance or annuity policy.
10 The County does not in any way guarantee the Trust from loss or depreciation, nor does the County
11 guarantee the payment of any money which may be or become due to any person from the Trust. Any
12 person having a right or claim under the Plan shall look solely to the Trust assets, and in no event
13 shall the County (or any person connected therewith) be liable to any person on account of any claim
14 arising by reason of the provisions of the Plan or of any instrument or instruments implementing its
15 provisions, or for the failure of any Participant, Beneficiary or other person to be entitled to any
16 particular tax consequences with respect to the Plan, the Trust or any contribution thereto or
17 distribution therefrom. The County shall not be liable to any person for failure on its part to make
18 contributions as provided in Section 5.1, nor shall any action lie to compel the County to make such
19 contributions. The County (or any person connected therewith) shall not have any liability to any
20 person by reason of the failure of the Plan to attain and/or maintain qualified status under Section
21 401(a) of the Internal Revenue Code, or the failure of the Trust to attain and/or maintain tax exempt
22 status under Section 501(a) of the Internal Revenue Code, regardless of whether or not such failure is
23 due to any act or omission (willful, negligent or otherwise) of the County (or any person connected
24 therewith).

25
26 14.2 Construction - The Plan is intended to comply with all requirements for
27 qualification under Section 401(a) of the Internal Revenue Code and, if any provision of the Plan is
28 subject to more than one interpretation or construction, such ambiguity shall be resolved in favor of
29 that interpretation or construction which is consistent with the Plan being so qualified. In case any
30 provision of the Plan shall be held to be illegal or void, such illegality or invalidity shall not affect the
31 remaining provisions of the Plan, but shall be fully severable, and the Plan shall be construed and
32 enforced as if said illegal or invalid provisions had never been inserted herein. For all purposes of the
33 Plan, where the context admits, words in the masculine gender shall include the feminine and neuter
34 genders, the singular shall include the plural, and the plural shall include the singular, and references
35 to persons shall include corporations, partnerships, estates and trusts. Headings of Articles and
36 Sections are inserted only for convenience of reference and are not to be considered in the construction
37 of the Plan. Except to the extent preempted by the laws of the United States of America, the laws of

ARTICLE IV

Hours and Periods of Service

4.1 Credit for Service - Except as otherwise provided in this ARTICLE IV and in ARTICLE III, a Participant will receive credit only for Years of Eligibility Service and Years of Creditable Service. However, for purposes of determining a Participant's vested percentage of his or her Accrued Benefit and his or her eligibility for retirement, Years of Eligibility Service completed prior to one or more Breaks in Service will be disregarded if: (a) the Participant's vested percentage in his or her Accrued Benefit was 0% at the time he or she incurred the Breaks in Service, and (b) the number of consecutive Breaks in Service exceeds the number of Years of Eligibility Service completed prior to the periods of Breaks in Service.

4.2 Leaves of Absence - Except as otherwise provided in this Section, Hours of Service will not be counted for the customary hours of work during a Leave of Absence. However, a Participant who fails to earn a Year of Eligibility Service or a Year of Creditable Service during a Plan Year because of a Leave of Absence, which is approved by the County prior to the Leave of Absence, may elect to receive credit for Years of Eligibility Service and Years of Creditable Service as follows:

(a) Leave of Absence: Workers' Compensation – A Participant on a Leave of Absence by reason of an accident or injury that has been sustained as an active Covered Employee and that has been ruled compensable under the Maryland Workers' Compensation Act may elect to receive credit for Years of Eligibility Service and Years of Creditable Service to the extent of his or her authorized Leave of Absence. If a Participant does so elect he or she shall be required to pay over to the Plan, within the buyback period, or within 90 days before his or her benefit commencement date, the contributions that would have been made by the Participant pursuant to Section 5.4 during the period of the Leave of Absence, plus interest of 4.0% computed on July 1 of each year and compounded annually.

(b) Leave of Absence: Other than Workers' Compensation - A Participant on a Leave of Absence other than by reason of an accident or injury that has been sustained as an active Covered Employee and that has been ruled compensable under the Maryland Workers' Compensation Act may elect to receive credit for Years of Eligibility Service and Years of Creditable Service (to a maximum of one year) to the extent of his or her total authorized Leaves of Absence. If a Participant does so elect he or she shall be required to pay over to the Plan, within the buyback period, the contributions that would have been made by the Participant pursuant to Section 5.4 during the period of the Leave of Absence, plus the contributions made by the County at the time of the payment by the Participant for the service credit, plus interest of 4.0% computed on July 1 of each year and compounded annually. For purposes of this Section 4.2(b), the contributions that would have been made by the Participant and the contributions that would have been made by the County

1 will be based on Participant Compensation that includes any scheduled pay adjustments that occurred
2 during the Leave of Absence. For purposes of this Section 4.2(b), the contributions that would have
3 been made by the County will be based on the County's net normal cost rate during the buyback
4 period. For purposes of this Section 4.2(b), the "net normal cost rate" equals the total normal cost as
5 a percentage of Participant payroll minus total Employee contributions as a percentage of Participant
6 payroll. If the Participant does not elect to pay the missed contributions, plus interest, during the
7 buyback period, and if the Participant's Benefit Commencement Date does not occur during the
8 buyback period, the Participant may elect to receive credit for Years of Eligibility Service and Years
9 of Creditable Service (to a maximum of one year) to the extent of his or her total authorized Leaves
10 of Absence, if the Participant pays over to the Plan, within 12 months before his or her Termination
11 Date, the Actuarial Equivalent of that portion of his or her projected benefit attributable to the Leave
12 of Absence, and determined in accordance with Section 4.4(iii).

13
14 (c) Buyback Period; Form of Payment - For purposes of this Section 4.2,
15 the Participant's "buyback period" is the one-year period beginning with the date the Participant
16 returns from the Leave of Absence. A Participant's payments hereunder may be in the form of a lump
17 sum payment, installment payments, or a combination of the two forms of payment. A Participant's
18 payments shall be accounted for pursuant to Section 5.5.

19
20 (d) Death and Disability Benefits - A Participant who is on a Leave of
21 Absence (or his or her Beneficiary) remains eligible for disability benefits as provided by Section 6.4
22 or for death benefits as provided by Section 7.1.

23
24 4.3 Fractional Credit for Service - To the extent not precluded by the operation of
25 Section 4.1, and except as otherwise provided in Section 4.4, an individual shall receive partial or full
26 credit for service, as follows:

27
28 (a) Vesting - For purposes of determining the extent to which a Participant
29 is vested in his or her Accrued Benefit, he or she shall receive credit on the basis of the number of his
30 or her Years of Eligibility Service. However, for Plan Years which contain the Participant's
31 Employment Commencement Date, Reemployment Commencement Date, and the date of his or her
32 termination of employment with the County, he or she shall receive fractional credit equal to 1/12th
33 of a Year of Eligibility Service for each calendar month during which he or she was an Employee for
34 the entire month. Notwithstanding the foregoing, the Participant shall receive fractional credit equal
35 to 1/12th of a Year of Eligibility Service if he or she was an Employee for at least one day during the
36 month which contains the Participant's Employment Commencement Date or Reemployment
37 Commencement Date, but he or she shall receive no fractional credit with respect to the month which
38 contains the date of his or her termination of employment with the County unless he or she was an
39 Employee for the entire month.

40
41 (b) Eligibility for Retirement - For purposes of determining whether a
42 Participant is eligible for retirement, he or she shall receive credit on the basis of the number of his or

3 termination of employment with the County, he or she shall receive fractional credit equal to 1/12th
4 of a Year of Eligibility Service for each calendar month during which he or she was an Employee for
5 the entire month. Notwithstanding the foregoing, the Participant shall receive fractional credit equal
6 to 1/12th of a Year of Eligibility Service if he or she was a Covered Employee for at least one day
7 during the month which contains the Participant's Employment Commencement Date or
8 Reemployment Commencement Date, but he or she shall receive no fractional credit with respect to
9 the month which contains the date of his or her termination of employment with the County unless he
10 or she was an Employee for the entire month.

11
12 (c) Benefit Accrual - For purposes of determining the extent to which a
13 Participant shall accrue benefits, he or she shall receive credit on the basis of the number of his or her
14 Years of Creditable Service. For Plan Years during which a Participant earns at least 700 Hours of
15 Service, but fails to earn a Year of Creditable Service, he or she shall receive credit for a fractional
16 Year of Creditable Service. For the Plan Years which contain the Participant's Employment
17 Commencement Date and his or her Termination Date, he or she shall receive fractional credit even
18 if he or she earns fewer than 700 Hours of Service. For purposes of calculating the fractional service
19 described in this Section 4.3(c), the numerator of the fraction shall be the number of Hours of Service
20 earned by the Participant as a Covered Employee during the Plan Year and the denominator shall be
21 the number of Hours of Service in a Year of Creditable Service.

22
23
24 4.4 Transfer of Credited Service; Purchase of Service Credit; Military Service - A
25 Participant may elect to receive credit for service (whether or not it would be considered a Year of
26 Eligibility Service or Year of Creditable Service had it been performed for the County) transferred
27 from another employer provided there is no break in employment between the Participant's
28 employment with such other Government Employer and commencement of service for the County.
29 If such service is transferred and recognized under the Plan, the number of years of service credited
30 and the amount of the benefit payable to the Participant pursuant to Section 6.1 shall be adjusted in
31 accordance with the following provisions:

32
33 (a) Conditions for Transfer -

34
35 (i) Credit for Years of Eligibility Service and Years of Creditable
36 Service shall be granted to any Participant: (A) who irrevocably elects, within the later of (1) one
37 year of first performing an Hour of Service as a Covered Employee, or (2) within 90 days following
38 July 1, 1998, to transfer the amount of any Participant contributions made to another Government
39 Employer Retirement Plan under which he or she was covered, together with interest previously
40 credited by such plan to this Plan; and (B) who is participating in a plan which provides for the transfer
41 of credit for service and contributions to this Plan. Notwithstanding the foregoing, service credit shall
42 be given for service transferred only to the extent required by, and in accordance with, the provisions

1 of Title 37 of the State Personnel and Pensions Article of the Annotated Code of Maryland, or any
2 successor statute. The provisions of this Section 4.4 shall be treated as the rules, regulations,
3 guidelines, and policies of this Plan within the meaning of Section 37-204 of the State Personnel and
4 Pensions Article of the Annotated Code of Maryland, or any successor statute. With respect to service
5 transferred pursuant to Section 37.203.1(d) of the State Personnel and Pensions Article of the
6 Annotated Code of Maryland, pertaining to transfers of service from certain contributory systems of
7 the State of Maryland, or any successor statute, the deposit of sums in addition to the transfer of the
8 Participant's contributions may be accomplished by one or more of the following methods: (1) a
9 lump sum cash payment to the Plan, (2) a rollover from another employer's qualified retirement plan,
10 (3) a rollover from an eligible deferred compensation plan established pursuant to Section 457(b) of
11 the Code, (4) a rollover from a tax deferred annuity established pursuant to Section 403(b) of the
12 Code, or (5) a rollover from an individual retirement account established pursuant to Section 408(a)
13 of the Code.

14
15 (ii) If the Covered Employee was not required to make
16 contributions to such other Government Employer Retirement Plan for all years of participation in
17 such other Government Employer Retirement Plan and on all Compensation paid to the Covered
18 Employee, he or she may, nonetheless, elect to receive credit for Years of Eligibility Service and
19 Years of Creditable Service under this Plan. Such election: (A) shall be irrevocable; (B) shall be made
20 within the later of (1) one year of first performing an Hour of Service as a Covered Employee, or (2)
21 within 90 days following July 1, 1998; and (C) shall be contingent upon the complete forfeiture of
22 benefits and service credits under the Government Employer Retirement Plan from which service
23 credit is being transferred. Notwithstanding the foregoing, service credit shall be given for service
24 transferred only to the extent required by, and in accordance with, the provisions of Title 37 of the
25 State Personnel and Pensions Article of the Annotated Code of Maryland, or any successor statute.
26 The provisions of this Section 4.4 shall be treated as the rules, regulations, guidelines, and policies of
27 this Plan within the meaning of Section 37-204 of the State Personnel and Pensions Article of the
28 Annotated Code of Maryland.

29
30 (iii) Any other Covered Employee may elect to receive credit for
31 Years of Eligibility Service and Years of Creditable Service (to a maximum of 10 years) to the extent
32 of the Covered Employee's service performed (1) with a state, municipality or political subdivision
33 with the United States of America, including the County, (2) with a Government Employer which is
34 not recognized in subparagraphs (i) or (ii) hereof, (3) with the government of the United States of
35 America, or (4) with private, parochial or out-of-state schools, provided such service is earned as a
36 teacher. Such election is available only if the Participant is not entitled to receive any retirement or
37 pension benefits derived from employer contributions with respect to the service performed for the
38 Government Employer. If the Participant does so elect, he or she shall be required to pay over to the
39 Plan the amounts determined in accordance with the following:

40
41 (A) Cost of Purchase - It is the intent of the County that a
42 Participant who elects to purchase credit for service hereunder pay the full actuarial cost of the credit

1 for service. The Participant’s election to purchase service shall include an election by the Participant
2 of an assumed retirement date (the “Assumed Retirement Date”) upon which the cost to purchase
3 service will be based. The cost of the purchase equals the present value of the Participant’s projected
4 Accrued Benefit including the credit for the service purchased hereunder and calculated on the basis
5 of the Participant’s Assumed Retirement Date, less the present value of the Participant’s projected
6 Accrued Benefit without the service credit purchased hereunder. Present value will be determined
7 using the interest, post-retirement mortality, post-retirement benefit increase and pay increase
8 assumptions used by the enrolled actuary to perform the most recent actuarial valuation of the Plan.
9

10 (B) Timing of Election to Purchase Service - If the
11 Participant makes an election to purchase service under this Section 4.4(a)(iii), the election shall be
12 made, and the Participant shall make the required payments to the Plan, within the twelve month
13 period ending on the Participant’s Termination Date. Notwithstanding the foregoing, the Participant’s
14 election of the timing of payment for credit for service may be modified by the County to the extent
15 necessary to conform to Section 415 of the Internal Revenue Code.
16

17 (C) Methods of Payment for Purchased Service – The
18 Participant’s election to purchase credit for service shall also include an election of the method by
19 which the Participant will purchase the credit for service. The Participant may pay over to the Plan
20 the amounts calculated pursuant to subsection (A) hereof by either (1) a lump sum cash payment to
21 the Plan, (2) a rollover from another employer’s qualified retirement plan, (3) a rollover from an
22 eligible deferred compensation plan established pursuant to Section 457(b) of the Code, (4) a rollover
23 from a tax deferred annuity established pursuant to Section 403(b) of the Code, (5) a rollover from an
24 individual retirement account established pursuant to Section 408(a) of the Code, (6) installment
25 payments by the Participant to the Plan, or (7) a combination of any of the methods designated in (1)
26 through (6). Installment payments pursuant to (6) above may be made on either, but not both, an
27 after-tax basis, or, following the effective date of Section 5.4(a)(iii), a pre-tax basis. If the Participant
28 elects to purchase the credit in whole or in part by pre-tax installment payments pursuant to
29 Section 5.4(a)(iii), such a purchase shall be pursuant to a binding, irrevocable payroll deduction
30 authorization between the County and the Participant which provides for the number of payroll
31 deductions and the dollar amount of each deduction. After-tax installment payments may be made
32 by either, but not both, payroll deduction or direct payment by the Participant to the Plan.
33 Notwithstanding the foregoing, the Participant’s election of the method of payment for purchased
34 service may be modified by the County to the extent necessary to conform to Section 415 of the
35 Internal Revenue Code.
36

37 (D) Retirement Before or After Assumed Retirement Date
38 - If a Participant reaches a Termination Date on a date other than the Participant’s Assumed
39 Retirement Date, but after the Participant’s Early Retirement Date, the credit for service purchased
40 by the Participant will be adjusted so that the amount of credit purchased equals the amount that would
41 have been purchased (based on the Participant’s actual contributions) if the actual Termination Date
42 had been used (rather than the Assumed Retirement Date) for purposes of calculating the cost of the

1 service. If the adjustment reduces the amount of credit purchased, the Participant may pay over to
2 the plan, in one lump sum, an amount necessary to purchase the credit for the service which would
3 have been awarded if the Participant terminated employment on the Assumed Retirement Date,
4 provided such payment does not constitute a violation of Section 415 of the Internal Revenue Code.
5 If the adjustment increases the amount of credit purchased over the credit which would have been
6 awarded if the Participant terminated employment on the Assumed Retirement Date, the excess will
7 be used to provide an additional monthly benefit to the Participant.

8
9 (E) Return of Payments After Five Years of Service for
10 County - If a Participant reaches a Termination Date prior to his or her Normal Retirement Date, but
11 after completing five Years of Eligibility Service as a County Employee, without regard to service
12 purchased or transferred or received on account of Military Service, the Participant, or the
13 Participant's Beneficiary, may elect, at any time following the Participant's Termination Date, to
14 receive a return of the payments made pursuant to this Section 4.4(a)(iii), plus interest at the rate
15 determined under (a) hereof, in the form of either (1) a lump sum payment, or (2) a monthly benefit
16 equivalent to the lump sum payment, with the equivalence to be determined pursuant to the factors
17 utilized pursuant to (a) hereof. Notwithstanding the foregoing, the Participant's election with respect
18 to receipt of a return of payments may be modified to the extent necessary to conform to Section 415
19 of the Internal Revenue Code.

20
21 (F) Return of Payments Prior to Five Years of Service for
22 County – If a Participant reaches a Termination Date prior to the date the Participant completes five
23 Years of Eligibility Service as a County Employee, without regard to service purchased or transferred
24 or received on account of Military Service, the Participant, or the Participant's Beneficiary, will
25 receive, as soon as practical following the Participant's Termination Date, a return of the payments
26 made pursuant to this Section 4.4(a)(iii), plus interest at the rate determined under (a) hereof, in the
27 form of a lump sum payment. Notwithstanding the foregoing, the Participant's receipt of a return of
28 payments may be modified to the extent necessary to conform to Section 415 of the Internal Revenue
29 Code. Notwithstanding the foregoing, to the extent the distribution exceeds \$1,000 and is an "eligible
30 rollover distribution," as defined in Section 8.4, the distribution will be made only at the election of
31 the Participant.

32
33 (iv) Any Covered Employee as of June 30, 1993, may have elected
34 to receive credit for Years of Eligibility Service and Years of Creditable Service for service
35 recognized or performed under the Maryland State Retirement Systems. Such election must be
36 irrevocable and must have been made prior to June 30, 1993. Any such service is not subject to the
37 restrictions of other subsections of Section 4.4(a).

38
39 (v) Any Covered Employee may elect to receive service credit for
40 his or her Military Service as follows (subject to any applicable law which mandates additional
41 benefits):

1 that would have been deemed to be service as a Uniformed Employee if earned for the County will
2 be credited as service as a Uniformed Participant for all purposes under the Plan.

3
4 (c) Adjustments to Monthly Retirement Income - A Participant's monthly
5 retirement income calculated pursuant to Article VI shall be adjusted with respect to service
6 transferred pursuant to Section 4.4(a)(ii) to the fullest extent allowed by, and in accordance with, the
7 provisions of Title 37 of the State Personnel and Pensions Article of the Annotated Code of Maryland,
8 or any successor statute. The provisions of this Section 4.4 shall be treated as the rules, regulations,
9 guidelines, and policies of this Plan within the meaning of Section 37-204 of the State Personnel and
10 Pensions Article of the Annotated Code of Maryland. For purposes of determining the amount of the
11 adjustment described in this Section 4.4(c), the accumulated employee contributions shall be
12 calculated using the rate set forth in the definition of "Employee Contributions Benefit." To the extent
13 a determination of actuarial equivalence must be made to make any adjustments to Participants'
14 benefits in accordance with Section 4.4(c), the actuarial equivalent will be determined using the
15 interest, unisex post-retirement mortality and post-retirement benefit increase assumptions used by
16 the enrolled actuary to perform the most recent actuarial valuation of the Plan.

17
18 (d) Retirement Within Five Years of Transferring Service -
19 Notwithstanding any other provision of this Section 4.4, if a Participant reaches a Termination Date,
20 other than by reason of death, and begins receiving payment of benefits pursuant to Article VIII within
21 five years after the Participant's Employment Commencement Date or Reemployment
22 Commencement Date preceding the transfer of service, the portion of the Participant's monthly
23 retirement income payable with respect to the service credit transferred pursuant to Sections 4.4(a)(i)
24 or 4.4(a)(ii) may not be greater than the benefit that would have been payable by the other Government
25 Employer Retirement Plan with respect to that service if the Participant had remained a Participant in
26 the other Government Employer Retirement Plan.

Funding of Benefits

5.1 Payment of Contributions - The funding of the Plan and payment of benefits hereunder shall be provided for through the medium of the Trust. The Trust shall accept transfer of funds from the Maryland State Retirement Systems consistent with the elections made by Participants pursuant to Section 4.4(a) (iv) of the Plan. The County, from time to time, shall make contributions to the Trust in amounts determined, in accordance with generally accepted actuarial principles, to be sufficient to support the contributions required under Section 5.4, and the contributions and transfers made pursuant to Section 5.5, and to fund the benefits provided by the plan.

5.2 Disposition of Forfeitures - Any forfeiture arising under the provisions of the Plan shall be used to reduce the then current or future costs of funding the benefits provided in the Plan.

5.3 Actuarial Examination - The County shall, at least once every other Plan Year, cause the liabilities of the Plan to be evaluated by a qualified actuary who shall report to the County as to the amount of the Trust assets in relation to the said liabilities and the amount of the annual County contribution sufficient to meet the requirements of Section 5.1.

5.4 Pick-Up Contributions - Under limited circumstances described below, Participant contributions and monies from other Government Employers may be accepted by the Plan.

(a) Types of Contributions/Transfers -

(i) County Pick-Up Contributions - In accordance with rules established by the County, each Participant shall make contributions to the Plan equal to 9% of Compensation earned as a Uniformed Employee. The Participant contributions referred to in this Section 5.4 shall be picked up by the County, as described in Section 414(h)(2) of the Internal Revenue Code, deducted from the pay of the contributing Participants as salary reduction contributions, and paid by the County to the Trustees with reasonable promptness after the total of such contributions during any month has been determined, and in any event by the end of the succeeding month. The contributions made pursuant to this Section 5.4 shall be made a part of the Participant's Employee Contributions Benefit, and as such, a part of his or her Accrued Benefit.

(ii) Transfer of Pick-Up Contributions from Other Government Employers - Pursuant to the provisions of Section 4.4(a), the Trust may accept a transfer of monies directly from another Government Employer Retirement Plan. Such transfer shall consist of contributions made by the Participant, but characterized by such other Government Employer as employer pick-up contributions, plus earnings previously credited upon such contributions. 1 amounts shall be made a part of the Participant's Employee Contributions Benefit, that is, a part of
2 his or her Accrued Benefit.

3
4 (iii) Purchase of Service Pick-Up Contributions - Pursuant to the
5 provisions of Section 4.4(a)(iii), a Participant may enter into a payroll deduction authorization with
6 the County pursuant to which the Participant may purchase credit for service. The Participant
7 contributions referred to in this Section 5.4(a)(iii) shall be picked up by the County, as described in
8 Section 414(h)(2) of the Internal Revenue Code, deducted from the pay of the contributing Participant
9 as salary reduction contributions, and paid by the County to the Trustees with reasonable promptness
10 after the total of such contributions during any month has been determined, and in any event by the
11 end of the succeeding month. This provision shall be effective 30 days following the date the County
12 receives a ruling from the Internal Revenue Service that contributions made pursuant to this Section
13 5.4(a)(iii) qualify as pick-up contributions under Section 414(h)(2) of the Internal Revenue Code.

14
15 (b) Suspension of Contributions – A Participant's salary reduction
16 contributions shall be automatically suspended for any payroll period during which he or she is not a
17 Covered Employee or during which he or she is on an unpaid Leave of Absence. A Participant's
18 salary reduction contributions shall automatically be suspended as of the first payroll period following
19 the date the Participant's Years of Creditable Service are no longer counted for purposes of
20 determining the amount of the Participant's monthly retirement income due to limitations on the
21 Years of Creditable Service awarded pursuant to Article VI.

22
23 (c) Withdrawals of Pick-Up Contributions - A Participant who has
24 reached his or her Termination Date may elect, at any time, to receive a Cash-Out by filing a written
25 notice of such election with the Administrator. The Cash-Out shall constitute full payment of all
26 benefits due to such Participant under the Plan.

27
28 (d) Forfeiture of Remaining Accrued Benefit - In the event of a Cash-Out
29 to a Participant pursuant to this Section 5.4, then, subject to restoration provided in Section 3.2(d), the
30 entire remaining portion of his or her Accrued Benefit shall be forfeited by him or her.

31
32 (e) Vesting of Pick-Up Contributions - Notwithstanding any provisions of
33 this Plan to the contrary, Participant contributions, picked up either by the County or by other
34 Government Employers and made or transferred to the Plan, shall be fully vested at all times.

35
36 (f) Payment of Benefits - Subject to the right of withdrawal described
37 above, the benefits purchased from the Participant's contributions shall be payable at the same time,
38 in the same manner, and, in the event of his or her death, to the same Beneficiary or Beneficiaries, as
39 is the remainder of his or her Accrued Benefit.

40
41 (g) Plan Termination - In the event of a termination of the Plan,
42 distribution to each Participant of the portion of his or her Accrued Benefit attributable to his or her

1 contributions picked up by the County shall, notwithstanding any other provision of Section 13.3, be
2 treated as a priority distribution ahead of any other distribution to Participants based upon the
3 remainder of the Trust, other than those attributable to contributions made pursuant to Section 5.5.
4

5 5.5 Participant Contributions - Under limited circumstances, as described below,
6 other Participant contributions may be accepted by the Plan.
7

8 (a) Characterization - The contributions made pursuant to this Section 5.5
9 shall be distinct from those made pursuant to Section 5.4 as to the character of such contributions.
10 Whereas Section 5.4 contributions shall be classified as County, or other Government Employer,
11 contributions picked up from the pay of Participants, contributions made pursuant to this Section 5.5
12 shall be after-tax contributions either made directly by the Participant or, in some cases, transferred
13 from a retirement plan sponsored by another Government Employer.
14

15 (b) Limitations - A Participant may elect to make contributions pursuant
16 to this Section 5.5, or to have his or her contributions previously made to another Government
17 Employer Retirement Plan transferred to this Plan, within the following limitations:
18

19 (i) A Participant who elects to restore credit for service and
20 benefits, as described in Section 3.2(d), shall pay over to the Plan the amount of any Cash-Out
21 previously made to him or her, with interest thereon.
22

23 (ii) A Participant who is on an approved Leave of Absence, as
24 described in Section 4.2, and who elects to receive service credit in accordance with Section 4.2, shall
25 pay over to the Plan the contributions plus interest as described in Section 4.2(a) or the Actuarial
26 Equivalent of his or her projected benefit as described in Section 4.2(b), as the case may be.
27

28 (iii) Trustees shall accept a direct transfer of after-tax Participant
29 contributions, together with interest thereon, from another Government Employer, provided such
30 contributions were made by a Covered Employee who elects to transfer service from another
31 Government Employer Retirement Plan, as described in Section 4.4(a).
32

33 (iv) A Covered Employee who elects to purchase credit for service
34 performed with another employer as described in Section 4.4(a) shall pay over to the Plan the
35 Actuarial Equivalent of his or her projected benefit, as described in Section 4.4(a).
36

37 (c) Procedures - All Participant contributions or transfers made pursuant
38 to this Section 5.5 shall be paid to the Trust or, in the case of payroll deductions required under Section
39 5.5(b)(i), withheld by the County and remitted to the Trustees.
40

41 (d) Separate Accounting - Participant contributions, whether made
42 directly or transferred from another retirement plan, as aforesaid, shall be made a part of the

1 Participant's Employee Contributions Benefit, which shall be a part of the Accrued Benefits of the
2 respective Participants.

3
4 (e) Withdrawals of Participant Contributions - A Participant who has
5 reached his or her Termination Date may elect, at any time, to receive a Cash-Out of his or her
6 Employee Contributions Benefit, by filing a written notice of such election with the Administrator.
7 Such Cash-Out shall constitute full payment of all benefits due to such Participant under the Plan.

8
9 (f) Forfeiture of Remaining Accrued Benefit - In the event of a Cash-Out
10 to a Participant pursuant to this Section 5.5, then, subject to restoration provided in Section 3.2(d), the
11 entire remaining portion of his or her Accrued Benefit shall be forfeited by him or her.

12
13 (g) Vesting of Participant Contributions -Notwithstanding any provisions
14 of this Plan to the contrary, Participant contributions made to the Plan pursuant to this Section 5.5
15 shall be fully vested at all times.

16
17 (h) Payment of Benefits - Subject to the right of withdrawal described
18 above, the benefits purchased from the Participant's contributions shall be payable at the same time,

21
22 (i) Plan Termination - In the event of a termination of the Plan,
23 distribution to each Participant of the portion of his or her Accrued Benefit attributable to his or her

4
5 (iii) Total and Permanent Disability: For purposes of the initial
6 determination of a Participant's disability, total and permanent disability shall mean a medically
7 determinable physical or mental impairment which can be expected to be permanent or result in death,

33
34 (D) As soon as administratively practical after receipt of
35 the notification of the award of Social Security disability benefits, the Participant's monthly benefit
36 shall be converted to a catastrophic line of duty disability benefit. With respect to a Participant
37 who receives an award of Social Security disability benefits after having attained his or her Normal
38 Retirement Date, based on age and/or projected Years of Eligibility Service, the conversion to a
39 catastrophic line of duty disability benefit shall be effective as of the later of: (1) the first day of

4 shall be classified, retroactively if necessary, as a “non-catastrophic line of duty disability.” If the
5 Participant has attained his or her Normal Retirement Date, based on age and/or projected Years
6 of Eligibility Service, on the date he or she ceases to be eligible for Social Security disability
7 benefits, his or her benefits will convert to a normal retirement benefit, as provided in Section
8 6.4(d)(x), as of the first day of the following month. Notwithstanding the foregoing, the cessation
9 of the Social Security disability benefits upon the Participant’s reaching Social Security retirement
10 age shall not result in a reclassification of the Participant’s catastrophic line of duty disability
11 benefits.

12
13 (v) Workers Compensation Benefit and Earned Income Offset:

14
15 (A) A Participant’s benefits payable pursuant to this

18 total and permanent disability.

19
20 (B) Until a Participant who has reached a termination by
21 reason of total and permanent disability attains his or her Normal Retirement Date, based on age
22 and/or projected Years of Eligibility Service, the Participant’s benefits payable pursuant to Section
23 6.4(a) and Section 6.4(b), but only with respect to a non-catastrophic line of duty disability, shall be
24 reduced by \$1.00 for each \$2.00 of the Participant’s earned income in excess of 25% of the
25 Participant’s Highest Average Compensation. A Participant’s Highest Average Compensation for
26 these purposes shall be adjusted annually each July 1 in accordance with Section 6.4(d)(xiii). The
27 amount of earned income shall be determined based on income earned by the Participant during the
28 prior calendar year.

31 reason of total and permanent disability attains his or her Normal Retirement Date, based on age
32 and/or projected Years of Eligibility Service, the continuation of his or her right to receive disability
33 benefits shall depend on his or her continued survival, and his or her case shall be subject to periodic
34 review in accordance with rules established by the County to determine his or her employment status,
35 including, but not limited to, determination of the disabled Participant’s ability to secure gainful
36 employment. The review process also includes the requirement that the disabled Participant furnish
37 to the County a copy of his or her federal income tax return each year and such other documentation
38 as may reasonably be requested by the County. In the event a disabled Participant ceases to submit
39 to such review, at any time prior to his or her Normal Retirement Date, the Participant will be deemed
40 to have recovered from the disability and the disability benefits payable pursuant to this Section 6.4
41 shall cease.

12
13 (ix) In the event of the death of a disabled Participant, no benefits
14 with respect to the Participant shall be payable except as otherwise provided in ARTICLE VII.

15
16 (x) Upon the attainment of the Participant’s Normal Retirement
17 Date, based on age and/or projected Years of Eligibility Service, the monthly benefit of a Participant,
18 or the Beneficiary of a Participant, as the case may be, receiving line of duty disability benefits
19 classified as “non-catastrophic” pursuant to Section 6.4(d)(iv)(a) shall be converted to the benefit that
20 would have been payable pursuant to Section 6.1, projecting Years of Creditable Service and Highest
21 Average Compensation from the Participant’s Termination Date. The benefit shall continue to be
22 paid to the Participant in the normal monthly form of retirement income described in Section 6.1, or
23 in the form elected pursuant to Article VIII, as elected by the Participant upon commencement of
24 payment of disability benefits. For purposes of projecting Highest Average Compensation, a
25 Participant’s Highest Average Compensation shall be adjusted as of each July 1 occurring prior to the
26 Participant’s Normal Retirement Date for increases in the cost of living pursuant to Section
27 6.4(d)(xiii).

28
29 (xi) Notwithstanding any of the foregoing provisions, if a
30 Participant terminates employment with the County on a date at which he or she would be entitled to
31 benefits pursuant to Section 6.1 or 6.2, the Participant may elect to receive the benefits provided under
32 Section 6.1 or 6.2, as the case may be.

33
34 (xii) A Participant on a Leave of Absence is entitled to receive

6 the last day of the Commencement Year.

7
8 (iii) Benefits paid prior to the Commencement Year shall reduce
9 the aggregate amount subject to (but shall not otherwise negate) the minimum distribution
10 requirements described herein.

17 (a) Definitions.

18
19 Eligible Rollover Distribution: An Eligible Rollover Distribution is

21 Eligible Rollover Distribution does not include: any distribution that is one of a series of substantially
22 equal periodic payments (not less frequently than annually) made for the life (or life expectancy) of
23 the Distributee or the joint lives (or joint life expectancies) of the Distributee and the Distributee's
24 designated Beneficiary, or for a specified period of ten years or more; any distribution to the extent
25 such distribution is required under Section 401(a)(9) of the Code; and the portion of any distribution

40 maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or

2 Retirement Plan” shall also apply in the case of a distribution to a surviving spouse, or to a spouse or
3 former spouse who is the alternate payee under a qualified domestic relations order, as defined in
4 Section 414(p) of the Code. With respect to distributions made after December 31, 2006, to the extent

30 transferred to another state or local retirement or pension system because of an involuntary transfer
31 of the Participant’s employing unit to another employer, all of the County’s contributions on behalf
32 of the Participant and interest on those contributions shall be transferred to the new system. The
33 amount to be transferred to the new system shall be determined by actuarial valuation.

1 (ii) To provide Accrued Benefits for all other Participants, in the following
2 order of preference:

3
4 (A) for each Participant who would have qualified under priority
5 (i) above but for the fact that the entitling event occurred or would have occurred within three years
6 of the effective date of the termination of the Plan, and

7
8 (B) for all other Participants in this priority (ii).
9

10 Trust assets shall be utilized under a particular priority only after all Accrued
11 Benefits set forth in all preceding priorities shall have been fully provided for. For purposes of the
12 allocation of funds within each priority, as set forth above, funds will be credited to each Participant
13 to provide the Accrued Benefits to which he or she is so entitled, but only to the extent that such
14 Accrued Benefits have not been provided under a preceding priority. Any reductions in Accrued
15 Benefits within a particular priority (or within any particular preference set forth within a priority) as
16 set forth above, due to insufficient Trust assets, shall be allocated pro rata among the Participants
17 within that priority (or preference) on the basis of then present values of the respective Accrued
18 Benefits described in that priority (or preference) for each such Participant. Any reference to Accrued
19 Benefits payable to Participants shall also be deemed to include Accrued Benefits payable to
20 Beneficiaries of deceased Participants. If any balance of Trust assets remains after all of the
21 allocations described above, and after all liabilities with respect to Participants and retired Participants
22 and their Beneficiaries, if any, are satisfied, then the balance shall be returned to the County, and the
23 Trust shall terminate. Upon making such distribution, the Trustees shall be discharged from all
24 obligations under the Trust and no Participant shall have any further right or claim therein.

25
26 Notwithstanding any provision to the contrary in this ARTICLE XIII, if a
27 Participant dies during the interim between the effective date of termination and the distribution of
28 Trust assets, and if his or her Benefit Commencement Date had not yet occurred as of the effective
29 date of termination, the amount distributable to him or her or the a Beneficiary, and the timing thereof,
30 shall be determined pursuant to ARTICLE VII.

31
32 As an alternative to immediate distribution of the Trust, the County, in its
33 discretion, and subject to its option at any time to require the complete distribution of the Trust to the
34 then Participants in accordance with the first paragraph of this Section 13.3, may defer
35 commencement of benefits to each Participant until such Participant reaches an event which would
36 otherwise entitle him or her to benefit commencement pursuant to ARTICLE VI, at which time the
37 provisions of ARTICLE VIII shall become applicable. During the interim period, there shall be
38 established and maintained a separate account in the name of each Participant, based upon the values
39 established pursuant to this Section 13.3 and/or Section 13.4. The separate account shall thereafter
40 define and measure the amount available for benefits distributable to him or her, and there shall be
41 credited or charged thereto any income, expenses, gains or losses (whether or not realized, based upon

4 The provisions set forth in this Section 13.3 shall be subject to such
5 modification, retroactively if required, without necessity of formal amendment to the Plan, as may be
6 necessary in order to cause the termination of the Plan and/or Trust, and any distributions made
7 pursuant thereto and to conform to any requirements which may be imposed by the Internal Revenue
8 Service to prevent disqualification of the Plan and/or Trust, and no such modification shall be deemed
9 prejudicial to the interest of any Participant or Beneficiary.

10
11 13.4 Provision to Prevent Discrimination on Early Termination - Notwithstanding
12 any provision in the Plan to the contrary, in the event that the Plan and Trust terminates on or after
13 July 1, 1993, the benefit of any “highly compensated employee,” as such term is defined in Section
14 414(q) of the Internal Revenue Code and the regulations promulgated thereunder, shall be limited to
15 a benefit that is nondiscriminatory under Section 401(a)(4) of the Internal Revenue Code.
16 Notwithstanding any other provision of this Plan and Trust, the benefits payable under this Plan and
17 Trust to any Restricted Participant, as defined below, on or after July 1, 1993, shall be limited to an
18 amount equal in each year to the payments that would be made on behalf of the Restricted Participant
19 under a straight life annuity that is the Actuarial Equivalent of the Accrued Benefit to which the
20 Restricted Participant is entitled under the Plan and Trust. The limitation described in the preceding
21 sentence, however, shall not apply if: (i) after payment of benefits under the Plan and Trust to the
22 Restricted Participant, the value of Plan assets equals or exceeds 110 percent of the value of current
23 liabilities, as defined in Section 412(1)(7) of the Internal Revenue Code, (ii) the value of the benefits

31 employees,” as such term is defined in Section 414(q) of the Internal Revenue Code and the
32 regulations promulgated thereunder.

33
34 A Participant’s Annuity Starting Date is the first day of the first period for
35 which an amount is to be paid to the Participant, former Participant or Beneficiary as an annuity, or,
36 in the case of a benefit not payable in the form of an annuity, the first day on which all events have
37 occurred which entitle the Participant, former Participant or Beneficiary to such benefit.
