### **Frederick County Expedited Residential Permitting Process**

FREDERICK, MD – The Frederick County Division of Planning & Permitting offers an expedited permit application and plan review process for qualified residential projects. In most cases permits are issued in less than 24 hours. Expedited permitting services are offered for residential use applications that [meet the established criteria](#) for projects such as minor interior alterations, basement finishes, small additions, decks, porches, sheds, swimming pools/hot tubs, solar panels and more. Applicants can access the [citizen permitting portal](#) electronically 24 hours a day, 7 days a week to submit applications and upload plans. For more information or to view the application submittal process, please visit the website:
