FOR IMMEDIATE RELEASE:

October 22, 2021

South Clifton Road Closed to Traffic

FREDERICK, MD – South Clifton Road will be closed between Old Swimming Pool Road and Jefferson Boulevard on or about November 8, 2021, the Frederick County Office of Transportation Engineering announced today. This will allow contractor Rustler Construction, Inc. to convert a section of South Clifton Road to a closed storm drain system to address drainage issues.

The project is anticipated to last approximately two months, weather permitting. The work includes installation of concrete curb and gutter, precast concrete storm inlets and storm water pipes, minor grading, pavement repair, resurfacing, and erosion and sediment control.

A signed detour route will be in place during the road closure. The detour will utilize Old Swimming Pool Road and Jefferson Boulevard.

For additional information, contact Project Manager Elbert Maravilla, Office of Transportation Engineering, at 301-600-3511 or via email at EMaravilla@FrederickCountyMD.gov, or Program Manager Blair Hovatter, Office of Transportation Engineering, at 301-600-3508 or via email at BHovatter@FrederickCountyMD.gov.
