Please respond to the questions below. If you prefer to provide responses or additional information in a separate file or document, send the file or document in a separate e-mail to rcherney@frederickcountymd.gov with the bill number/reference in the subject line.

1.	Describe the impact of this proposed legislation on your agency (operations, revenues, expenditures, etc). If there is no impact, <u>please explain why</u> .
----	---

This legislation adds a provision to Chapter 1-6 of the Frederick County Code(Buildings) requiring electric charging infrastructure for charging electric vehicles in certain new residential structures. County revenues or expenditures are not anticipated to be impacted by this legislation.

2.	Please indicate whether the proposed legislation will affect small businesses in Frederick County, and if it will, please provide any information you may have which could be useful in determining the economic impact on small businesses.
----	--

Small businesses that construct the types of residential structures required to comply with this legislation will incur cost of installing the necessary electrical components. The cost is estimated to be less than \$1,00 per home, on average.
