1.	Describe the impact of this proposed legislation on your agency (operations, revenues, expenditures, etc). If there is no impact, <u>please explain why.</u>					
<p>This legislation amends Chapter 1-19 of the Frederick County Code (Zoning Ordinance) to revise and clarify the notification requirements for comprehensive zonings and rezonings. It eases the burden on the County for posting placards when the County initiates a rezoning.</p> <p>This bill should have a minimal fiscal impact on the Division of Planning and Permitting expenditures when the County is the party initiating the change in zoning. However, the impact is difficult to predict from one year to the next. The reduced costs to the division would be primarily related to the purchase of placards.</p>						
2.	Please indicate whether the proposed legislation will affect small businesses in Frederick County, and if it will, please provide any information you may have which could be useful in determining the economic impact on small businesses.
