Rocky Springs Road – Temporary Road Closure (Update)

FREDERICK, MD – The Rocky Springs Road closure will be extended due to heavy rains, flooding, and unforeseen issues encountered during construction, according to the Division of Public Works. This extension of the initial closure will allow the developer to complete the re-alignment and culvert replacement on Rocky Springs Road. Rocky Springs Road is expected to re-open on or about July 1, 2022.

Motorists are advised to use the signed detour route along Rocky Springs Road and Christopher's Crossing, and Yellow Springs Road to reach their destination for the duration of the closure. Local residents whose homes or driveways are located within the work area will still be able to access their properties.

For additional information, contact Brad Fisher, Office of Construction Inspection, at 240-674-6820, or via e-mail at Bfisher3@FrederickCountyMD.gov.
