FOR IMMEDIATE RELEASE:

June 30, 2022

Signal Malfunction at Intersection of Crestwood Boulevard, Edenton Drive

Signal repair work continues.

FREDERICK, MD – The Division of Public Works is continuing to work on repairs to the signal at the intersection of Crestwood Boulevard, Fellingwood Drive, and Edenton Drive as of Thursday afternoon. The signal began malfunctioning on Wednesday June 22, 2022, and previous repairs have not completely resolved the problem. The signal will be set to flash until we can safely restore normal operations. Motorists will encounter a flashing yellow “caution” signal on Crestwood Boulevard, and a flashing red “stop” signal on Edenton Drive and Fellingwood Drive.

For additional information, contact Engineering Supervisor David Olney, Office of Transportation Engineering, at 301-600-2930 or via email at DOlney@FrederickCountyMD.gov.
