## Water Main Closes Westbound Guilford Drive

*Detour in Place for Motorists*

FREDERICK, Md. – A water main break has forced the closure of the westbound lanes of Guilford Drive from Route 85 to Frederick Crossing Lane. Water has buckled the pavement, making the road unsafe for motorists. Drivers should follow the marked detour route along Route 85 to Grove Road, then to Industry Lane, before rejoining Guilford Drive. The closure will remain in effect through the weekend until repairs can be made to the road.
