Signal Outage Repaired at Intersection of Crestwood Boulevard, Edenton Drive

Signal Now Fully Operational

FREDERICK, Md. – The Division of Public Works completed repairs to the signal at the intersection of Crestwood Boulevard and Edenton Drive on Thursday. All temporary traffic control devices have been removed and the signal is functioning normally. The emergency repairs were required to correct damage caused by a thunderstorm on June 22, 2022.

For additional information, contact Engineering Supervisor David Olney, Department of Engineering and Construction Management, at 301-600-2930 or via email at DOlney@FrederickCountyMD.gov.
