1 About this plan

Which doctors, hospitals and pharmacies can I use?

Cigna True Choice Medicare (PPO) has a network of doctors, hospitals, pharmacies, and other providers. You may also choose to use providers that are out-of-network and there will not be a change to your copay or coinsurance.

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs.

You can see our plan's *Provider and Pharmacy Directory* at our website, CignaMedicare.com/group/MAresources.

What do we cover?

Like all Medicare health plans, we cover everything that Original Medicare covers-and more.

- > Our customers get all of the benefits covered by Original Medicare.
- > Our customers also get more than what is covered by Original Medicare. Some of the extra benefits are outlined in this *Summary of Benefits*.

We cover Part D drugs. In addition, we cover Part B drugs such as chemotherapy and some drugs administered by your provider.

- > You can see the plan's complete *Comprehensive Prescription Drug List* which lists the Part D prescription drugs along with any restrictions on our website, CignaMedicare.com/group/MAresources.
- > Or, call us and we will send you a copy of the Enhanced Drug List.

4 Prescription Drug Benefits

Medicare Part D Drugs - Initial Coverage

The following chart shows the cost-share amounts for covered drugs under this plan. After you pay your yearly deductible (if applicable), you pay the following until your total yearly drug costs reach \$4,660. Total yearly drug costs are the total drug costs paid by both you and our plan.

If you get your drug at an out-of-network pharmacy, you will pay the same cost-share you would pay for a 30-day supply at an in-network retail pharmacy. If you reside in a long-term care facility, you would pay the standard retail cost-share at an in-network pharmacy.

Your costs may be different if you qualify for Extra Help. Your copay or coinsurance is based on the drug tier for your medication, which you can find in the Plan Prescription drug List (Formulary) on our website [CignaMedicare.com/group/MAresources](https://www.cignamedicare.com/group/MAresources). Or, call us and we will send you a copy of the formulary.

| Tier | Supply | Retail Cost-Share | Mail-Order Cost Share |
|---------------------------------|--------|-------------------|-----------------------|
| Tier 1 Generic Drugs | 30-day | \$10 | \$10 |
| | 60-day | \$20 | \$20 |
| | 90-day | \$20 | \$20 |
| Tier 2 Preferred Brand Drugs | 30-day | \$30 | \$30 |
| | 60-day | \$60 | \$60 |
| | 90-day | \$60 | \$60 |
| Tier 3 Non-Preferred Drugs | 30-day | \$50 | \$50 |
| | 60-day | \$100 | \$100 |
| | 90-day | \$100 | \$100 |
| Tier 4* Specialty Drugs | 30-day | \$75 | \$75 |
| | 60-day | \$150 | \$150 |
| | 90-day | \$150 | \$150 |

Coverage Gap

Most Medicare drug plans have a Coverage Gap (also called the "Donut Hole"). This means that there is a temporary change in what you will pay for your drugs. The Coverage Gap begins after the total yearly drug cost (including what our plan has paid and what you have paid) reaches \$4,660. Not everyone will enter the Coverage Gap.

After you enter the Coverage Gap, you pay the same copays/coinsurance you paid during the initial coverage stage until your costs total \$7,400, which is the end of the Coverage Gap.

Catastrophic Coverage

After your yearly out-of-pocket drug costs (including drugs purchased through your retail pharmacy and through mail order) have reached **\$7,400**, the plan will pay most of the cost for your drugs. Your share of the cost of covered drugs will be the lesser of the Coverage Gap Amount or the Standard Part D Catastrophic Coverage amount which is the greater of:

5% of the cost

- or -

\$4.15 copayment for generic (including brand drugs treated as generic) and

\$10.35 copayment for all other drugs.

Important Message About What You Pay for Insulin

You won't pay more than \$35 for a one-month supply of each insulin product covered by our plan, no matter what cost-sharing tier it's on. If your plan has a Part D deductible, this will apply even if you haven't paid your deductible. If your insulin is on a tier where cost-sharing is lower than \$35, you will pay the lower cost for your insulin.

Important Message About What You Pay for Vaccines

Our plan covers most Part D vaccines at no cost to you. If your plan has a Part D deductible, this will apply even if you haven't paid your deductible. Call Customer Service for more information.
