Please respond to the questions below. If you prefer to provide responses or additional information in a separate file or document, send the file or document in a separate e-mail to rcherney@frederickcountymd.gov with the bill number/reference in the subject line.						
1.	Describe the impact of this proposed legislation on your agency (operations, revenues, expenditures, etc). If there is no impact, <u>please explain why</u> .					
This Bill amends Article X: Arts and Entertainment Property Tax Credit (1-8-411) of the Frederick County Code to update the Arts and Entertainment Property Tax Credit expiration date from 2023 to 2033. Since only one organization has participated in this tax credit program since its inception (occurred in FY 2009), there is no way to estimate the future usage of this credit. This tax credit is based on the assessment increase due to a property's renovation with very specific guidelines and has a seven-year duration with decreasing amounts in years five through seven.						
2.	Please indicate whether the proposed legislation will affect small businesses in Frederick County, and if it will, please provide any information you may have which could be useful in determining the economic impact on small businesses.					
This legislation could have a positive impact on small businesses in Frederick County, but the extent is not fully known.

	Please explain how the above estimated increase(s) or decrease(s) were arrived at, including any calculations and/or assumptions made. Please also explain any variation if the revenue increase(s)/decrease(s) are not constant.					
N/A – This legislation should not have an impact on County revenues. This tax credit does not impact current revenue as it is directly tied to the assessment increase due to renovations on an applicable property.
