Dear Recordation Customer,

In an effort to accelerate Frederick County's agricultural land preservation initiative, the Frederick County Council recently enacted Bill # 20-03 which raises the recordation tax rate by \$1.00 from \$6.00 to \$7.00 per \$500 of consideration. This new recordation tax rate will take effect on October 1, 2020 per Frederick County Code §1-8-51.

Any documents and monies presented to the Frederick County Treasurer's Office on October 1, 2020 and beyond must reflect this increase. If adequate funds are not presented, the documents and monies will be rejected and returned to you.

Please let us know if you have any questions or concerns. Thank you!

Sincerely,

A handwritten signature in black ink, appearing to read "Diane E. Fox".
