Public Informational Meeting Scheduled for Proposed Changes to Design Manual for Water and Sewer Facilities

FREDERICK, MD – The Frederick County Division of Water and Sewer Utilities (DWSU) will hold a virtual meeting from 9 to 10 a.m. on Thursday, June 15, regarding proposed changes to the Design Manual for Water and Sewer Facilities, which was last revised in 2017. Meeting attendance information is provided below.

The meeting, an Introduction of Updates to the Design Manual for Water and Sewer Facilities, will present an overview of why updates are being implemented, what changes have been made and how to view and comment on the document using Public Input. Chapters 1 and 2 of the manual will be the first chapters released to the public for comment. All subsequent chapters will be released as completed. To register for the outreach meeting and subscribe to design manual updates, please visit [DESIGN MANUAL FOR WATER AND SEWER UTILITIES UPDATES - PublicInput](#).

Persons requiring special accommodations for this public meeting are requested to contact the Office of the Director at 301-600-2997 (TTY: Use Maryland Relay) to make the necessary arrangements no later than three business days prior to the meeting.

Frederick County, Maryland does not discriminate on the basis of race, color, religion, national origin, sex, age, marital status, disability, familial status, gender identity, sexual orientation, or source of income.
