FY2022 Service Profile

Public Transit

Connector routes operate in the City of Frederick and urbanized areas of Frederick County, with six routes that can deviate within 3/4 mile to provide greater accessibility. Connectors operate weekdays beginning at 5:30 a.m. until approximately 9:45 p.m., and Saturdays 7:30 a.m. to 9:45 p.m. Shuttles operate weekdays and serve Brunswick, Emmitsburg, Thurmont, Spring Ridge, Worman's Mill, the Route 85 corridor, and the Point of Rocks MARC Station.

Paratransit and Taxi Access Program (TAP)

TransIT-plus is a demand-response paratransit service for Frederick County's 60+ population and people with disabilities. ADA paratransit is available for people with disabilities that prevent them from using fixed-route services, and others may ride if space allows.

TransIT's Taxi Access Program (TAP) is a supplemental program for TransIT-plus customers to use when TransIT-plus services are unavailable. TAP customers contribute a small copay based on their zip code to receive a monthly subsidy toward taxi service.

Commuter Education and Assistance

TransIT is a member of the Metropolitan Washington Council of Governments' Commuter Connections Program. All services are FREE to Frederick County commuters and include a computerized car and vanpool matching service.

TransIT offers a vanpool incentive program for new vanpools originating or terminating in Frederick County, as well as the Guaranteed Ride Home program.
