## County Executive to Convene Community Meeting on Transmission Line Project

*Representatives from PSEG to Attend*

FREDERICK, Md. – Frederick County Executive Jessica Fitzwater will convene a community meeting on the proposed Maryland Piedmont Reliability Project. The meeting will take place at 6 p.m. on Wednesday, October 9, in the auditorium of Oakdale High School. The Public Service Enterprise Group, which is managing the project, will have representatives at the meeting to present information and answer questions.

“Right now, our residents have more questions than answers,” County Executive Fitzwater said. “That’s why the County Council and I called on PSEG to conduct a more transparent and inclusive public process and be responsive to the input received from Frederick County residents.”
