2 The County Council of Frederick County, Maryland, finds it necessary and appropriate to
3 authorize Frederick County, Maryland, from time to time, to borrow not more than One Hundred
4 Million Dollars (\$100,000,000) for the purpose of financing the costs of certain public facilities in
5 Frederick County, Maryland, described herein, and to effect such borrowing by the issuance and
6 sale of its general obligation bonds in one or more series, in accordance with the provisions of
7 Section 10-203 of the Local Government Article of the Annotated Code, as amended.

8 **NOW, THEREFORE,** be it hereby enacted by the County Council of Frederick
9 County, State of Maryland, as follows:

10 Section 1. Pursuant to Section 10-203 of the Local Government Article of the Annotated
11 Code of Maryland, as amended (the "Bond Act"), Frederick County, Maryland (the "County") is
12 hereby authorized and empowered to borrow money and incur indebtedness for the public purposes
13 described in Section 2 hereof, in an amount not to exceed, in the aggregate, One Hundred Million
14 Dollars (\$100,000,000) and to evidence such borrowing by issuing, selling and delivering its
15 bonds, at any time or from time to time and in one or more series, in an aggregate principal amount
16 not to exceed in the aggregate, One Hundred Million Dollars (\$100,000,000) (the "Bonds"),
17 subject to the provisions and conditions of this Act.

18 Section 2. The proceeds from the sale of the Bonds (including any premium received upon
19 the sale of the Bonds) may be applied for the public purpose of financing, refinancing or
20 reimbursing expenditures made for all or a portion of the costs of the acquisition, planning, design,
21 construction, repair, renovation, reconstruction, alteration and equipping of any project included
22 in the County's approved Capital Improvement Program, together with the costs of issuing the
23 Bonds (which costs may include the costs of bond insurance or other credit enhancement)
24 (collectively, the "Public Facilities"), including but not limited to landfill projects, roads, bridges,
25 flood control projects, libraries, easements or similar or related rights in land that restrict the use
26 of agricultural land or woodland to maintain the character of the land as agricultural land or
27 woodland, and communication systems, including the development of property, the acquisition
28 and installation of equipment and furnishings, together with any related architectural, financial,
29 legal, planning or engineering services and capitalized interest during construction and for a
30 reasonable period thereafter, whether or not specifically stated.

31 The use of the proceeds of the Bonds by the County to finance the costs of the Public
32 Facilities is a proper public purpose which may be financed by the issuance of the Bonds pursuant
33 to the Bond Act.

1 Section 3. For the purpose of paying the interest on and redeeming and paying the Bonds
2 as they mature, in each and every fiscal year that any of the Bonds are outstanding, the County
3 shall levy or cause to be levied ad valorem taxes upon all the legally assessable property within
4 the corporate limits of the County, in rate and amount sufficient to provide for the payment, when
5 due, of the principal of and interest on all of the Bonds maturing in each such fiscal year and, if
6 the proceeds from the taxes so levied in any fiscal year prove inadequate for such payment,
7 additional taxes shall be levied in the succeeding fiscal year to make up any deficiency. In case the
8 Bonds shall be issued in any fiscal year after the making of the regular levy for that fiscal year,
9 any and all interest becoming due before the next levy shall be paid out of any other funds at the
10 disposal of the County and there shall be levied at the next succeeding levy an amount sufficient
11 to reimburse such other funds. The County may apply to the payment of the principal of and
12 interest on any Bonds issued hereunder any funds received by it from the State of Maryland, the
13 United States of America, any agency or instrumentality of either, or from any other source. Taxes
14 that might otherwise be required to be levied under this Act may be reduced or need not be levied
15 to the extent that any such funds are received or receivable in any fiscal year.

16 Section 4. The full faith and credit and unlimited taxing power of the County are hereby
17 irrevocably pledged to the payment of the maturing principal of and interest on the Bonds as and
18 when such principal and interest respectively mature and to the levy and collection of the taxes
19 prescribed in this Act as and when such taxes may become necessary in order to provide sufficient
20 funds to meet the debt service requirements of the Bonds.

21 Section 5. Prior to the issuance of all or any part of the Bonds, the County Executive shall
22 execute and deliver an executive order to fix, prescribe and determine, or provide for the method
23 of determining, the title, date of issue, and denomination(s) of the Bonds, the aggregate principal
24 amount of and maturity schedule for the Bonds, the form and tenor thereof, the places of payment
25 of the principal thereof and the interest to accrue thereon, any registrar and/or paying agent for
26 such bonds, the reserved right, if any, to redeem the Bonds prior to maturity and the premium, if
27 any, payable upon the exercise of said right, the rate or rates of interest payable on the Bonds, or
28 the method of determining the same, details relating to the sale of the Bonds (which may be at
29 private (negotiated) sale, or at public sale by competitive bid, the Bonds to be sold in such manner
30 and upon such terms as the County Executive deems to be in the best interest of the County), the
31 allocation of bond proceeds to one or more of the Public Facilities, the award of the Bonds to the
32 purchaser thereof, the price at which the Bonds shall be sold (which may be at, above or below
33 par), the application of any premium paid to the County upon the sale of the Bonds, and any other
34 details, terms or conditions relating to the issuance, sale, delivery and payment of the Bonds. The
35 Bonds shall be executed in the name of the County and on its behalf by the manual or facsimile
36 signatures of the County Executive and the Director of Finance and the corporate seal of the
37 County or a facsimile thereof, shall be imprinted or otherwise reproduced thereon, and attested by
38 the manual or facsimile signature of the Chief Administrative Officer of the County. In the event
39 that the net proceeds of a sale of Bonds shall exceed the amounts necessary to finance, refinance
40 or reimburse the costs of the Public Facilities specified in such executive order, the County
41 Executive may supplement or amend such executive order to authorize the use of such excess
42 proceeds of the Bonds to finance, refinance or reimburse the costs of such other Public Facilities
43 as the County Executive may determine.

1 Section 6. Under Section 19-101 of the Local Government Article of the Annotated Code
2 of Maryland, as amended, the County Council authorizes the County to consolidate for sale and
3 issue, sell and deliver all or any portion of the Bonds and any other bonds authorized by any other
4 law as a single issue of bonds, at any time and from time to time.

5 Section 7. The Bonds and their issuance and sale shall be exempt from the provisions of
6 Sections 19-205 and 19-206 of the Local Government Article of the Annotated Code of Maryland,
7 as amended.

8 Section 8. Pursuant to Part III of Subtitle 2 of Title 19 of the Local Government Article of
9 the Annotated Code of Maryland, as amended, and this Act, the County may issue and sell bond
10 anticipation notes (the "Notes") in one or more series prior to and in anticipation of the issuance
11 and sale of the Bonds. Prior to the issuance, sale and delivery of any Notes, the County Executive
12 shall execute and deliver an executive order authorizing the Notes and specifying, prescribing,
13 determining, providing for and approving all matters, details, forms, documents and procedures
14 necessary to effect the sale, security, issuance, delivery and payment of and for the Notes. The
15 County covenants that (a) it will pay the principal of and interest on the Notes, to the extent not
16 paid from the proceeds of the sale of the Notes, from the proceeds of the Bonds, and (b) it will
17 issue the Bonds when, and as soon as, the reason for deferring their issuance no longer exists.

18 Section 9. The County may issue all or any part of the Bonds and the Notes with the
19 expectation that interest payable with respect thereto may or may not be excludable from the gross
20 income of the recipients thereof. In the event that any Bonds or Notes are issued with the
21 expectation that interest payable with respect thereto is to be excludable from the gross income of
22 the recipients thereof, the County Executive and the Director of Finance are each authorized to
23 execute and deliver such certificates, forms and findings as may be necessary or appropriate to
24 comply with the applicable terms of the Internal Revenue Code of 1986, as amended (the "Code")
25 and the income tax regulations promulgated pursuant thereto.

26 Section 10. The County designates the County Executive as the person to declare the
27 official intent of the County in those instances in which expenditures are to be made for Public
28 Facilities with the expectation that such expenditures are to be reimbursed from the proceeds of
29 tax-exempt bonds. In exercising the authority granted by the foregoing designation, the County
30 Executive is further authorized to take any and all such action as may be required or appropriate
31 to assure compliance by the County with applicable provisions of the Code and Section 1.150-2
32 of the Income Tax Regulations. The designation made herein may be delegated in writing by the
33 County Executive to one or more designees.

34 Section 11. The authority to borrow money and to issue bonds conferred on the County by
35 this Act shall be deemed to provide additional, alternative and supplemental authority for
36 borrowing money and shall be regarded as supplemental and additional to powers conferred upon
37 the County by other laws and shall not be regarded as in derogation of any power now existing;
38 and all previously enacted laws authorizing the County to borrow money are hereby continued to
39 the extent that the power contained in them is continuing or has not been exercised, unless any law
40 is expressly repealed by this Act, and the validity of any bonds issued under previously enacted
41 laws is hereby ratified, confirmed and approved. This Act, being necessary for the welfare of the
42 inhabitants of the County, shall be liberally construed to affect its purposes.
