Subject: BOE vacancy Application

Dear County Executive Fitzwater

I am interested in interviewing for BOE and registered as a candidate. I have knowledge of Health PE, General Ed substitute for 15 years, and 5 years experience with Special Ed Autism as well as Alternative Ed. I would very much like to interview, and if I am not selected I respect your and the Council judgement. I also have coaching and Sport experience as well as Birth to 3 program and PreK. I live [REDACTED] registered voter, and have watched BOE for 4 years on stream if I don't attend.
