[EXTERNAL EMAIL]

Dear County Executive Fitzwater,

I am writing to formally express my interest in the open seat on the Frederick County Board of Education created by the resignation of Ms. Nancy Allen.

I am a resident of Frederick County, a registered voter, and a data and analytics professional with over ten years of experience supporting large organizations in healthcare, finance, and education through data-driven decision-making and strategic planning. My background includes extensive work with compliance reporting, performance measurement, system modernization, and collaboration with cross-functional stakeholders — including executives, educators, clinicians, and community leaders.

In my career, I have supported more than 100 healthcare organizations through regulatory reporting (including HEDIS, CMS, ORYX, and NHQM standards), led system modernization projects, collaborated with multidisciplinary teams, and developed reporting platforms and dashboards that support informed decision-making. I have also worked in educational environments, including at the College Board, supporting data integrity and reporting initiatives related to student testing and performance.

I strongly believe that transparent data, thoughtful planning, and community collaboration are critical to the success of any educational system. I am eager to bring my analytical expertise, commitment to public service, and passion for student success to the Frederick County Board of Education.

Please find my resume attached for your review. I would be honored to further discuss my interest and qualifications in an interview at your convenience. I can be reached at [REDACTED]  
[REDACTED]

Thank you for your time and consideration. I look forward to the opportunity to serve Frederick County and its students.

Sincerely,  
**Sandeep Singh**
