Dear County Executive:

I am writing to express my interest in serving on the Board of Education. With over two decades of experience in educational leadership, policy development, and community engagement, I bring a strong commitment to equity and academic excellence. My background includes program evaluation for the Middle States Association, instructional leadership for K-12 schools, and governance roles on civic and educational boards.

I have collaborated with government agencies and school systems to shape policies that improve student outcomes and ensure compliance. My experience in strategic planning, fiscal oversight, and stakeholder engagement aligns with the Board of Education's responsibilities. I am passionate about fostering inclusive learning environments and advancing initiatives that prepare students for success while promoting a culture of belonging.

Thank you for considering my application. I welcome the opportunity to contribute my expertise to the Frederick County Board of Education and would be honored to discuss how my skills can support its mission.

Sincerely,  
Wilford Xavier Graham
