Dear Ms. Fitzwater:

This letter is to notify you of my interest in applying for the opening in the present Frederick County Board of Education. I am a retired teacher and coach of 39 years, more than 36 in Frederick County.

I served at five high schools and one middle school in Frederick County during my teaching and coaching career. I have been a resident of Frederick County for the past 52 years and have always been a registered voter. My children and grandchildren all attended or are presently attending Frederick County schools.

I feel that my years as a Frederick County educator and my community involvement qualify me to serve on the BOE. As such, I would be a strong advocate for all stakeholders in ensuring that our students get the best possible education in preparing to become our next generation of successful citizens.

My resumé is attached separately for your information. I look forward to hearing from you.

Sincerely,

Harold R. Grau
