The Honorable Jessica Fitzwater

County Executive, Frederick County, Maryland
12 East Church Street
Frederick, MD 21701

Dear County Executive Fitzwater,

I am writing to express my interest in being considered for appointment to the Frederick County Board of Education. As a lifelong resident and a professional who has served Frederick County families for more than twenty-five years, I bring a deep commitment to our community and to the success of every student in Frederick County Public Schools.

As a Senior Funeral Director with Stauffer Funeral Home, I have spent decades guiding families through some of their most difficult moments. This work has strengthened my communication, empathy, and decision-making skills, qualities essential for responsible school board leadership. My role as a Certified Funeral Celebrant has also provided extensive experience in public speaking and working with individuals from diverse backgrounds.

My leadership as President of both the Frederick County Agricultural Society and The Great Frederick Fair has given me broad experience in governance, budgeting, policy development, and strategic planning. These organizations serve tens of thousands of residents annually and require transparent, community-focused management. Additionally, my service on the Hood College Board of Associates has deepened my understanding of education, community partnerships, and institutional support.

I am committed to promoting academic excellence, responsible stewardship of resources, and open communication with families and staff. It would be an honor to bring my experience, community perspective, and dedication to public service to the Frederick County Board of Education.

Thank you for your consideration.

Sincerely,

Jacqui Kreh
