RE: Applications to Fulfill Vacancy Frederick County School Board

Ms. Fitzwater,

I am a resident of Frederick County for twenty plus years and registered to vote in the county. I have been a home school parent for more than 15 years who has been intimately involved in the educational system at the elementary, middle, high school, and postgraduate level.

I am planning to apply for the vacancy and will provide a brief resume for consideration before the deadline of 4 p.m. on Dec. 10, 2025. I do appreciate your consideration as I strongly believe that my homeschool experience, personal devotion to academic development and serious commitment to support the educational development of children is worthy of consideration. I do recognize the importance of this position and do appreciate the opportunity to submit an application.

Sincerely,

Bertram Lacey, MD, MBA
