Plumbing Permit # \_\_\_\_\_

I hereby swear or affirm under the penalties of perjury that the dwelling, in which the plumbing work to be done, under this permit, is owned at least in part by me, and is occupied or immediately to be occupied by me and that I will be personally performing the work.

I also understand that inspections are required and that I am responsible for arranging for the required inspection, and that when I call for these inspections, the building will be open or I must arrange with the inspector for the inspector to gain entry.

I also understand the requirements of the Frederick County Plumbing Ordinance for this installation and will install this plumbing according to those requirements and will arrange for the required inspections; and I further understand that any violation on my part of these requirements is illegal and may subject me to criminal penalties including imprisonment and shall make the plumbing permit issued under this application null and void with no reimbursement of fees paid.
